Executive Director Bostrom reviewed the FOIA requirements, conflicts of interest and the liability issues with PDRMA.

Deputy Director Talsma presented a financial workshop for the benefit of the Comm Reps reviewing such aspects as the EAV, bond issue, budgets, etc. It was noted that the district collect \$8.1 million in tax and the budget was over \$20 million.

Each team has a budget that they adhere to.

Comm Rep Musial also asked about the two electric bills and Deputy Director Talsma explained that the district had to pay for both electricity from Energy.me and Com Ed to deliver it.

Comm Rep Musial noted that the committees/board would no longer see American Express, but rather Amex would be a type of payment and Deputy Director Talsma noted that was correct.

Commissioner Kilbridge noted that the format was much easier to read.

Comm Rep Musial made a motion, seconded by Comm Rep Winner to recommend the board approve the Detail Report in the amount of \$461,470.28 as presented. The motion carried by voice vote.

RE: Golf Cart & GPS Fleet
DATE: November 10, 2016

Background

The Bridges of Poplar Creek (BPC) current golf cart lease will expire at the end of the 2016 season. After the initial bid process last month did not adequately provide for the potential cost savings of a purchase option, staff rebid the golf cart requirements for BPC. The bid requested purchase information for a total of 92 carts. The bids were prepared to provide us the lowest overall cost over 10 years. The criterion for awarding the bid was based on the total of the following:

- Total Purchase Price of Fleet averaged over 10 years
- GPS Lease Price over 10 Years
- Gas Carts measured - MPG – Estimated Fuel Cost over 10 years valued at \$2.25 Gallon
- Electric Carts measured – Electric Consumption based on \$2,000 a year.

Bids were received back from the same three different companies that had bid the first time: Harris Golf Cars, Nadler Golf Cars, & EZGO Golf Cars. The current fleet of carts at Bridges consists of 84 carts, two ranger carts with headlights, three service vehicles, two powered beverage carts, one range picker. The current fleet carts are Yamaha electric carts.

Included in the proposed Capital Fund Budget is an amount of \$475,000 for the BPC golf cart purchase.

Implications

Staff prepared a bid package and public notice was given for the 2017 Golf Cart Fleet Purchase. The companies were given the option to bid on an Electronic Fuel Injected Gas Carts and/or Electric Fleet. Bid specifics included:

- Gas Carts must have Electric-Fuel Injection System or Electric Carts Must have two (2) replacement batteries scheduled in approximate years four (2021) and eight (2025).
- Cart must have a noise decibel (dB) level of 62.0 or less
- Standard equipment plus all-terrain or similar drive system
- Sweater Baskets
- Beverage Console
- Split Windshield
- Message Holder

- Regular Rooftop
- Sand & Seed Bottles Mounted (two per cart)
- Club & Ball Washer Mounted
- Rain Club Protector
- Two (2) USB connection port
- Choice of standard color on cart and seats.
- Bridges logo decal applied in front.

GPS Lease available option price and ability to mount. GPS System must include:

- Full graphical hole and course diagram with yardage
- Hole by Hole fly over
- Cart control with the use of Geofence Zones to Control Speed
- Pace of Play Monitoring
- Message Capability
- Daily Scorecard Function
- Tournament Software with Live Event Scoring from carts
- Ranger/Pace of Play access from cart
- Food & Beverage ordering from carts.

The bids were opened at 1:00pm on November 8, 2016.

Our current golf cart lease & GPS annual price is \$131,014 (our previous four year lease).

RE: Ordinance O16-008 Annexation of Bergman Pointe Subdivision
DATE: November 9, 2016

Background

In February 2015, the Hoffman Estates Park District (HEPD), the Palatine Park District (PPD) and M/I Homes of Chicago, LLC, (MIH), the developers of the Bergman Pointe Subdivision, entered into an Intergovernmental Agreement. The Agreement outlines the process of the 38.56 acre Bergman property being disconnected from within the jurisdictional boundaries of PPD and then in turn the annexation of the property into HEPD's jurisdictional boundaries. In exchange for the disconnection of the property from the taxing jurisdiction of PPD and annexing into the taxing jurisdiction of HEPD, the HEPD paid PPD \$300,000. MIH's involvement in the Agreement was to facilitate the process as the sole contract owners of the property at the time the Agreement was approved.

Implications

The approval of Ordinance O16-008 as prepared by Ancel Glink is the next to the last step as outlined in the Agreement. Following HEPD approval of the Ordinance, the final step is for Ancel Glink to record the Annexation Ordinance with the Recorder of Deeds of Cook County. Following the recording of the Annexation Ordinance, the Bergman property will officially be recorded within the jurisdictional boundaries of HEPD which will allow HEPD to begin to collect property taxes in the fall of 2017 or spring of 2018.

Recommendation

Staff recommends board approval of Ordinance O16-008 as presented.

Two changes were added as mentioned in the committee of the whole meeting.

MEMORANDUM NO 16-134

TO: A & F Committee
FROM: Dean Bostrom, Executive Director
Craig Talsma, Deputy Director/Director Admin & Finance
RE: Audit Services
DATE: November 10, 2016

Background

The District has been using Sikich LLP for auditing services for the last four years. There is a renewal option to engage them for a fifth year for the annual financial audit for the year ending December 31, 2016. The fee for the audit will be \$23,580 (which is included in the 2017 proposed budget).

Implications

The District has confidence in Sikich and the team they have sent to audit the District's financial position. There have been recommendations from Sikich over the years that the District has implemented to ensure best financial practices. They have repeatedly helped us achieve the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association (GFOA).

Recommendation

Staff recommends that the A&F Committee recommend to the full board acceptance of engaging Sikich LLP for the District's December 31, 2016 audit (to be performed in 2017) for the fee of \$23,580.

The Hoffman Estates Park District (HE Parks) was presented two awards at the Illinois Association of Park Districts' (IAPD) Annual Awards Gala on October 21: The Helen Doria Arts in the Park Award and Best Green Practices Award.

The Arts in the Park Award is named in memory of Helen Doria, who was appointed by Mayor Richard M Daley as the first Executive Director for Millennium Park and was also a cultural programmer for the Chicago Park District. The award "recognizes [recreation] agencies that support the arts and partner with artists and arts organizations to enhance the quality of life in their communities," according to the IAPD website. New this year, the award included a \$2,500 grant from the Illinois Art Alliance. The grant money will be used by HE Parks to fund entertainment for children in the summer of 2017 as part of its Friday Fun in the Park series.

The Friday Fun series is made available to the community through a joint partnership with the Hoffman Estates Arts Commission and Village of Hoffman Estates. In addition to the children's series, HE Parks and its partners also offer "Summer Sounds on the Village Green". In 2016, through a partnership with the Village Cultural Commission, the Party the Park event proudly included multi-cultural entertainers including Irish dancers, Japanese drummers, Indian and Mexican dancers.

"Cultural offerings are nothing new to HE Parks, which has a long history of supporting the arts and local culture," said Mike Kies, director of recreation and facilities. "It started in 1978 when a group called Theater Northwest held community plays and performances in the Vogelei Barn, and dance lessons began in the mid-1980s. This was just the beginning."

Since then, HE Parks has grown its dance program and added figure skating, baton, pom, summer camps, drawing, painting and trips to cultural events through diverse programming.

Live music is featured at several community events. Through partnerships with local art organizations HE Parks offers lessons in guitar, drum and piano plus singing programs and classes in painting and drawing for kids.

HE Parks also won IAPD's Best Green Practices Award, which is presented to agencies for "environmentally-friendly business practices and policies."

"HE Parks has always been concerned for its natural areas and our environment, said Mike Bickham, park board president for HE Parks. "In 2008, we stepped up our efforts to be a green organization when we established a Green Team to seek out ways to reduce the park district's carbon footprint and embrace the 'park' in park district."

The Green Team established a Natural Area Management Plan in 2010 and in 2012 the park district was recognized for its efforts by the Village of Hoffman Estates with the Green Business Award. The Natural Area Management Plan, which is made available to the community on the park district's website, includes a plan for wildlife conservation, innovative ways of controlling invasive species, community engagement and green facilities.

"This award recognizes our effort our Green Team has put toward our Natural Area Management Plan and so many other green initiatives," said Dean Bostrom, HE Parks' executive director. "We are honored to accept both of these awards."
