**MINUTES
RECREATION COMMITTEE MEETING
September 12, 2017**

1. Roll Call:

A regular meeting of the Hoffman Estates Park District Recreation Committee was held on September 12, 2017 at 7:45 p.m. at the Triphahn Center in Hoffman Estates, IL.

Present: Commissioner R. Evans, Comm Rep S. Neel, Snyder, Wittkamp, Chairman Kinnane

Absent: Comm Rep Dressler, Henderson

Also Present: Executive Director Bostrom, Deputy Director/A&F Director Talsma, Rec/Facilities Director Kies

Audience: President Kaplan, Commissioners Bickham, McGinn, Kilbridge, K. Evans, Jiri Keprda of the Boys Scouts

2. Approval of Agenda:

Commissioner R. Evans made a motion, seconded by Comm Rep Snyder to approve the agenda as presented. The motion carried by voice vote.

3. Approval of the Minutes:

Comm Rep Neel made a motion, seconded by Comm Rep R. Evans to approve the minutes of the July 18, 2017 meeting as presented. The motion carried by voice vote.

4. Comments from the Audience:

None

5. Old Business:

None

6. New Business:

A. Eagle Scout Project (Chimney Swallow) M17-101:

Eagle Scout Jiri Keprda made a presentation to the board about the Chimney Swallow and the Chimney Tower he built to help them nest.

Commissioner McGinn asked how he knew the right birds would occupy the tower and Jiri explained that it was built to attract Chimney Swallows and others had been successful, however, there was no guarantee.

Commissioner R. Evans noted it was a good presentation and asked if they felt the 12 feet would be enough and Jiri explained that the example he had used had been 12 feet.

Comm Rep Neel asked how many birds would occupy the chimney and Jiri explained it would only be good for a couple of adult birds. Director Kies noted that Kane County had the same type/size of tower and they were very successful.

No vote was required.

B. Palatine Public Library Agreement/M17-102:

Director Kies reviewed the item noting that it was a very positive relationship and that they were only doing 1 year with 2 renewals because the Palatine Library was expecting a lot of turnover in a short period of time.

Comm Rep Neel made a motion, seconded by Comm Rep Snyder to recommend the board approve the renewal of the lease for a period of one year commencing October 1, 2017 and ending September 30, 2018 with two one year renewal options for 2018/19 and 2019/2020. The motion carried by voice vote.

C. HUSC Agreement, Revised/M17-105:

Executive Director Bostrom explained that this had previously been presented but HUSC had required a substantial reduction in the amount of hours required.

President Kaplan asked about nets for other rentals and Director Kies explained that the district would provide those.

Commissioner McGinn asked about using Victoria and Director Kies said it was just for games and not practices.

President Kaplan asked about the total revenue and Director Kies explained it would be \$21,000.

Commissioner Kinnane asked if the fee covered the maintenance costs of the fields and Director Kies said he believed it would be covered based on the costs he had seen.

Commissioner R. Evans made a motion, seconded by Comm Rep Neel to recommend the board approve the revised license agreement with HUSC, LLC for the fall 2017 and spring 2018. The motion carried by voice vote.

D. Rec, Fac & Golf Report/M17-099:

Director Kies reviewed the item. President Kaplan asked about the speed skating from Glen Ellyn. Comm Rep Wittkamp noted that he had skated in that club years earlier.

Executive Director Bostrom reviewed the golf portion noting that BPC was above the 5-year average.

Commissioner R. Evans noted that there were high school teams that used the course at a discounted rate and in return volunteered to address the divots. He wondered if they were going to volunteer again this year. Deputy Director Talsma explained that they were helping with the scoring on fall tournaments and staff will check about the other volunteering.

Comm Rep Wittkamp made a motion, seconded by Comm Rep Neel to send the Rec, Fac & Golf Report M17-099 to the board. The motion carried by voice vote.

7. Committee Member Comments:

Commissioner R. Evans said he had been at the 50+ Open House and felt it well attended.

Comm Rep Snyder wished Commissioner R. Evans a happy belated birthday.

Comm Rep Neel noted that she had a neighbor that attended the 50+ Opening and found everyone very friendly and the space awesome. She also explained that she had a friend teaching in the dance program and was excited to see programs for boys.

8. Adjournment:

Comm Rep Neel made a motion, seconded by Comm Rep Snyder to adjourn the meeting at 8:35 p.m. The motion carried by voice vote.

Respectfully submitted,

Dean R. Bostrom
Secretary

MEMORANDUM NO. M17-112

TO: Recreation Committee
FROM: Dean R. Bostrom, Executive Director
Craig Talsma, Deputy Director/Director Admin & Finance
Mike Kies, Director Recreation & Facilities
Dustin Hugen, Director Parks & Facilities Services
RE: Chino Park Community Gardens
DATE: October 11, 2017

Background

Within the 2014 Comprehensive Master Plan, community gardens were identified within Chino Park as a future unfunded capital project. This initiative is consistent with our mission of being environmentally responsible and also our district goals to (1) create and sustain quality parks, facilities, programs and services and (2) embrace conservation and environmental stewardship to help provide long term sustainability. The 2017 budget includes \$5,000 for development of the community gardens at Chino Park.

In the fall of 2016, the park district and the Village were approached by Community Rep Linda Dressler, who is also a local real estate agent, regarding a community-based grant program established by the National Realtors Association (NRA). While we were unable to meet the grant deadline last year due to timing, we have submitted the grant application this year prior to the October 15, 2017 deadline. The maximum grant award is for \$5,000.

Chino Park is currently leased from the Village of Hoffman Estates through an Intergovernmental Agreement. The agreement was approved in 2008 with a term of 20 years. Within the agreement, the Village must approve all physical improvements proposed by the park district.

Per district Policy 05.17 *Notification of Park and Facility Improvements*, a public meeting was held on October 3, 2017 at 7pm in the Triphahn Center boardroom (see attached minutes).

15 days prior to the meeting all residents located within 300' of the park's boundaries (85 residents) received a postcard informing them of the public meeting and a large sign was posted at the entrance to the park providing details of the public meeting.

Three residents were in attendance representing two households. All three residents voiced their opinions regarding the proposed garden plots. Comments made included: garden plots in general are an eyesore; non-residents should be prohibited from renting garden plots; the district should make other recreational and aesthetic improvements to the park; the garden plots should be located elsewhere such as Village Hall.

Additional discussion was held on the future potential of making available additional garden plots at Chino Park if the initial 16 garden plots were determined to be successful in 2018. No decisions were made regarding the future expansion other than that another public meeting would be held prior to the park board determining whether or not additional garden plots would be made available following the 2018 planting season.

Following the public meeting, staff evaluated the concerns addressed at the meeting regarding the garden plots being an eyesore. In addition, preliminary rules and regulations regarding the rental of garden plots were evaluated. It was determined that only four or five households who live on Evanston Street would be able to visually see the garden plots from their property and that rules and regulations could be revised to address the garden plots from becoming an eyesore.

Implications

Attached is a conceptual plan for the garden plots including phases to add additional garden plots in the future.

Each of the 16 garden plots is 15’x15’ with a wood chip path between each of the plots similar to the design of the Village’s two garden plots as well as most other park districts that have community garden plots. In addition to the 16 garden plots there are four additional ADA accessible plots. Staff is in the process of securing a prospective Eagle Scout to build the four ADA planters. Currently the Village has two community gardens; one at Sunderledge Farm which contains 30 plots and the Westbury Fire Station which contains 20 plots; and sell out the first day registration is open.

The total budget for the garden plots is \$10,000 with the district budgeting \$5,000 in 2017 and an additional \$5,000 anticipated from the National Realtors Association (NRA) grant. The breakdown of the \$10,000 budget is as follows.

- \$5,200: New asphalt to allow for ADA accessibility
- \$4,000: Water supply necessary to support the gardens
- \$ 800: Construct the ADA accessible planters and misc. items

Attached is a copy of the proposed guidelines for maintaining and programming the community garden plots. If approved, the garden plots will be made available for rental starting April 2, 2018.

Recommendation

Staff recommends approval of the proposed community gardens as depicted on the conceptual plan as well as the proposed operating guidelines. If the NRA grant is not secured, staff recommends an additional \$5,000 be included in the 2018 budget to fully fund the overall anticipated expenses for the first phase of the project. The park board approval of the proposed garden plots would be contingent upon the Village’s approval of the proposed community garden plots.

**CHINO GARDEN PLOTS
PUBLIC MEETING MINUTES
OCTOBER 3, 2017
7:00 P.M.
TRIPHAHN CENTER BOARDROOM**

Attendance: Commissioners Robert Kaplan, Pat McGinn, Lili Kilbridge, Ron Evans, Pat Kinnane; Executive Director Dean Bostrom, Deputy Director/Director Admin & Finance Craig Talsma, Director Recreation & Facilities Mike Kies, Director Parks & Facilities Services Dustin Hugen, IT Assistant Brett Lonergan

Audience: Pat DeLoncker; Wayne DeLoncker; Murtuza Salahuddin

Executive Director Dean Bostrom welcomed the guests in attendance and proceeded to introduce Commissioners and staff present at the meeting. Following the introductions, Executive Director Bostrom provided an overview of the purpose of the meeting which included details of the proposed garden plots and public input regarding the proposal. It was stated that no decisions regarding the proposal would be made at the meeting tonight.

Executive Director Bostrom recapped that public meetings were held for all proposed projects that involved development within a park and that all households located within 300 feet of the park's boundaries received a postcard informing them of the public meeting, and a sign was posted at the entrance to the park providing details of the public meeting.

As background information, Executive Director Bostrom stated that community garden plots were identified with the district's 2014-2019 CMP as garden plots are a growing trend in communities across the U.S. As further support for the need within Hoffman Estates, Executive Director Bostrom informed the audience of the two garden plots operated by the Village of Hoffman Estates and that the resident demand currently exceeded the supply of garden plots available.

Executive Director Bostrom provided an overview of the Park District and Village Intergovernmental Agreement that provides a 20 year lease of Chino Park which was approved in 2008. All physical improvements, including the proposed community gardens at Chino, require Village approval per the terms of the Intergovernmental Agreement.

Director Hugen provided an overview of the proposed development of the site and where the garden plots would be in relation to the surrounding park and residents.

Director Mike Kies provided an overview of the proposed schedule, registration process, fees and garden plot guidelines.

Executive Director Bostrom asked for questions and/or comments from the audience. Mr. and Mrs. DeLoncker commented that unrelated to the proposal that they did not like the natural area barrier at Evergreen Park Pond and that the two ponds located adjacent to Community Park looked to be very poorly maintained. Executive Director Bostrom clarified that the two parks

adjacent to Community Park were on private property and were owned by the two multi-family complex located adjacent to Community Park.

Mr. and Mrs. DeLoncker stated that they were not supportive of the proposed plan as they believed garden plots to be unsightly. They suggested that the proposed garden plots be relocated adjacent to the Village Hall. Additional comments included that non-residents should not be allowed to rent garden plots and that the park district should first consider making recreational and aesthetic improvements to the park.

Discussion was then held on the potential of making available additional garden plots at Chino Park if the initial 16 garden plots were determined to be successful in 2018. No decisions were made other than that another public meeting would be held prior to the park board determining whether or not additional garden plots would be made available following the 2018 planting season.

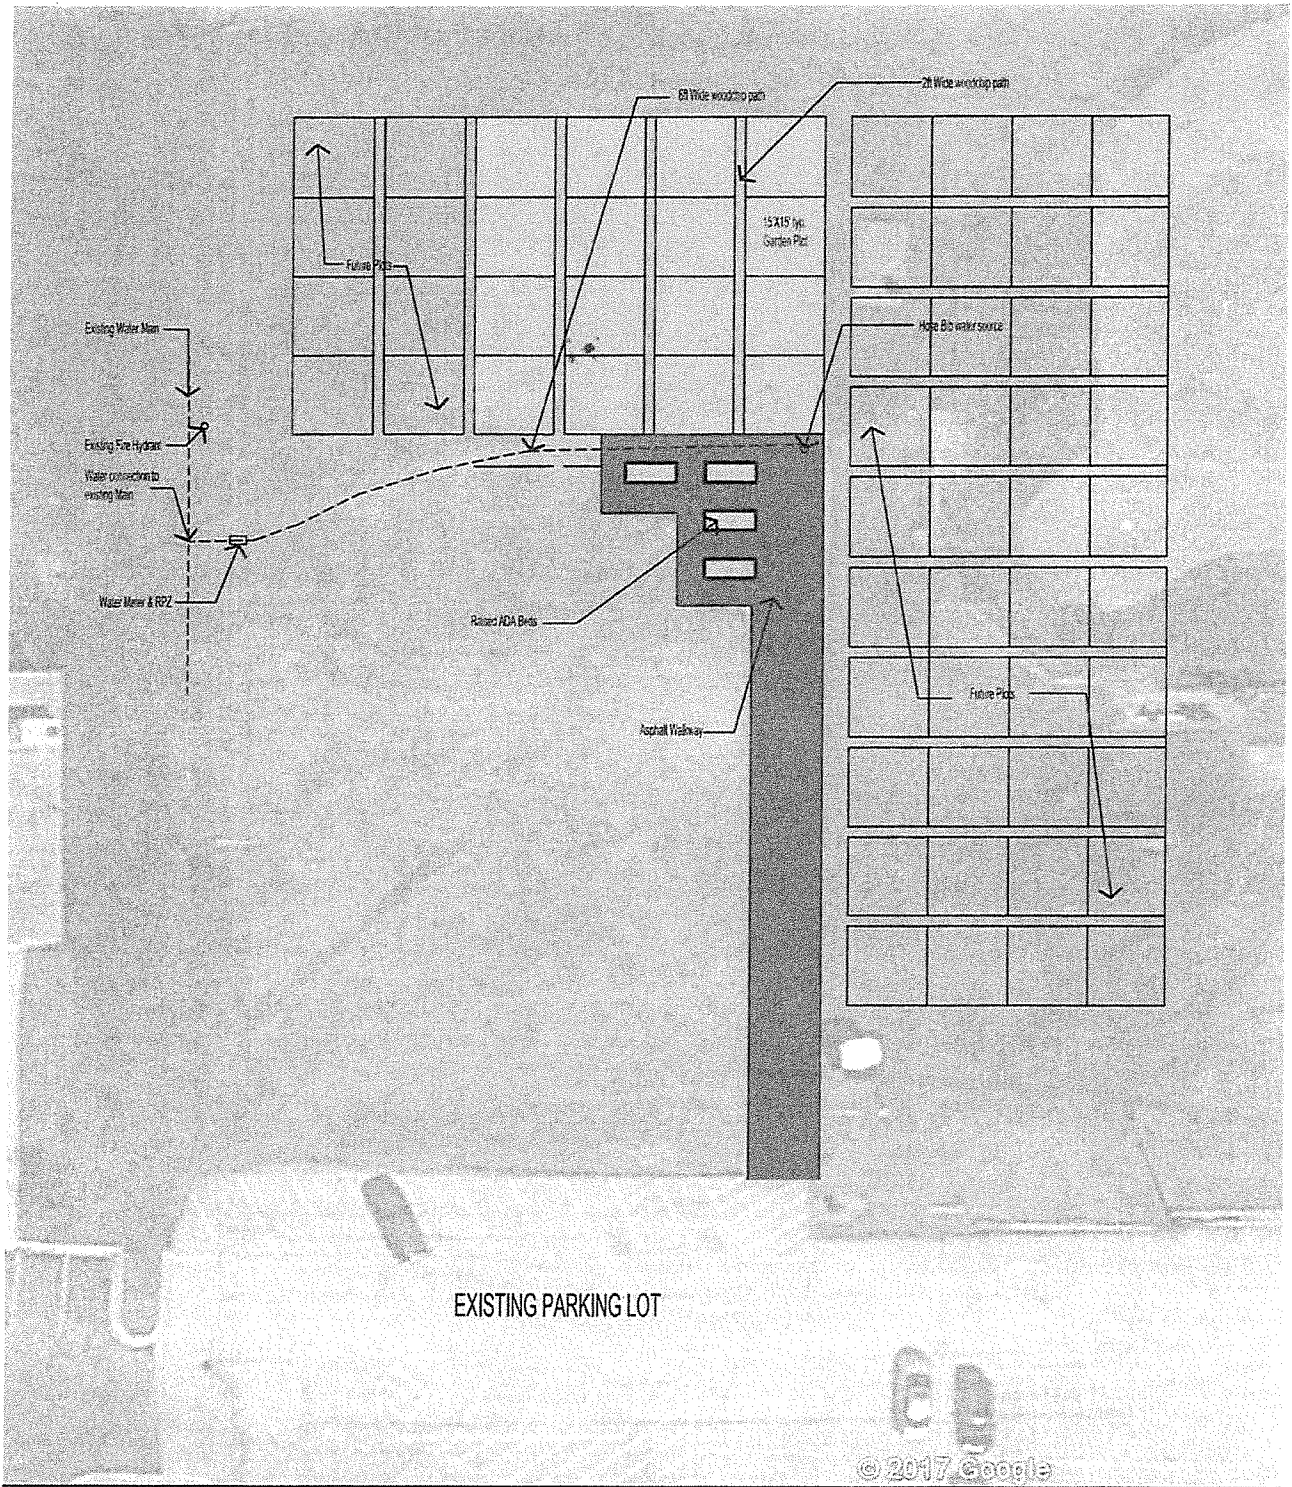

Executive Director Bostrom explained the park district's resident/non-resident policy and that residents are given priority if the demand exceeds the supply and that residents received discounted rates. Regarding the suggestion involving Village property, Executive Director Bostrom clarified that the park district does not dictate to the Village what should or should not be developed on Village property.

Murtuza Salahuddin stated that he also had concerns about the garden plots being an eyesore and non-resident use as well. He also expressed concern about the condition of Lakeview and that there were no longer fish like when he was a kid.

Executive Director Bostrom recapped the meeting and provided the meeting schedule of the Committee and Board and stated that if the proposal was approved by the Park Board, that it would be contingent upon Village Board approval.

Meeting adjourned at 8:05 p.m.

TESTIMONIALS & SOCIAL MEDIA COMMENTS

On Facebook:

I.C.E Academy

- Staff is planning on having a Winter Ice Exhibition the first week in January. This will be a Solo and Pairs skating event. Consideration is being given for having a Spring Ice Show. Staff will monitor the overall winter enrollment before making a decision with having that event.
- Fall skating lessons have 157 skaters taking place in the program. There were 134 skaters in the fall session for 2016.

Wolf Pack

- Wolf Pack has 17 teams participating in the NWHL, CUHL, and AHAI
 - 4 Mites
 - 3 Squirt
 - 3 Pee Wee
 - 3 Bantam
 - 1 Midget
 - 3 Girls U10, U12, U14
- A total of 257 rostered hockey players for 2017. That is up from the 192 at Wolf Pack last year.
- Development Class enrollment is at 89 hockey players. That is down from the 153 that participated in 2016. With the decrease in the lesson class we gained 2 more mite teams which is the possible increase in travel teams at the Wolf Pack.

Ice Rink Information

- The Pumpkin Skate will occur on Sunday October, 29 from 3-4:30pm.
- The PDRMA ICE review on September, 13 was a staff success. The ice risk management audit was scored at a perfect 100%!
- Glen Ellyn Speed Skating Club will be conducting their 100th Annual Silver Skate Event on Sunday October, 29 from 7am – 3:30pm. Over 100 skaters are expected to compete that day.
- Staff will be putting in Public Skate times on weekends starting the middle of October as time presents lends it self on the ice schedule.
- The new skate sharpener was purchased for sharpening rental skates. Once staff have completed that process staff feels that a sharpening program for the pulbic on a drop off basis is a feasible and revenue generating opportunity that is being explored.

Member Services

- The Member Services team worked to continue with new membership promotional and recruitment efforts while simultaneously managing and answering questions from existing members about the ongoing locker room renovation project. Unseasonably warm and dry weather contributed to slower traffic and club usage by existing

members as well as lower new member interest throughout the month. Enrollments surged early in the month in response to a popular digital 'flash sale' that offered the discounted enrollment fee of \$29 along with free September dues. Of the 83 total number of new members enrolled in the month, 23 cited the website and/or digital ads as their source of interest. Another 15 new members were the result of member or friend/family referrals. Despite lower new member totals and slightly higher than budgeted cancellations accrued during the month, the Member Services team is maintaining a YTD positive net 81 through Q3.

- The PSS&WC enrollment special was advertised on each of the following:
 - District's electronic marquee signs throughout the community
 - VHE electronic marquee signs located at the corner of Shoe Factory Road and Beverly
 - The ENROLLMENT FEE banner on the north side building exterior
 - Select Facebook posts throughout the month
 - Guest and tour follow up targeted email via Retention Management
 - Both internal and e-based targeted marketing were utilized to inspire member referrals as well as to reach all HEPD clients throughout the community. The HEPD bi-monthly Eblast included the enrollment promotion details, and targeted emails through Retention Management continued to be sent throughout the month to promote the club cash incentive for member referrals.
 - HEPD and PSS&WC websites (scrolling banner updates)
- The Member Services team coordinated a month full of special events in September for members to inspire continued usage interest (see September wellness calendar image below). Events included the promotion of special fitness activities along with recognition of special member 'fun' days that promote retention. The Member Services team also continued to promote the series of online motivational quotes that are posted each Monday on social media to help motivate members to pursue fitness goals. These 'motivational Monday' quotes are also printed and placed strategically throughout the club for members to discover during their workouts.
- Research efforts are continuing with regard to a new club app designed by NetPulse that would increase the digital reach of the facility and strengthen the marketing and retention strategies by the Member Services team. The new club app would provide a user friendly platform of club related options that include fitness challenges, guest recruitment, push notifications, club check in capabilities, and a member news feed. The app would also have an integrated link to the App Audio app that is currently on order, which will provide audio links to the facility TV's. The development of the club app will take place during Q4 with a formal launch to members beginning in FY18 at the start of the new year.
- Efforts are currently ongoing to recruit interest in a new FT Member Services Associate position following the resignation of the Member Services Supervisor in the month of August. The new Associate will provide support to the existing Associate along with the current PT1 MS Associate and ensure that sales, administrative, and retention efforts remain strong. Qualified internal and external candidates will be contacted in early October to begin the interview process.
- Contact has been made with two regional corporations in an effort to inspire corporate membership enrollment from among their respective employees. Leopard and Liberty Mutual, both located in the Prairie Stone business park in Hoffman Estates, have each expressed a renewed interest in promoting membership

to employees as part of their respective employee health programs. Contact was also made with School District 211 to target membership interest among teachers and administrators. The Member Services team will be working through the month of October and into the final quarter of the current year to grow membership from these corporations.

- The General Manager of Sales & Operations has begun working with the C&M team to establish and create marketing personas for each targeted clientele demographic for membership at PSS&WC. Development of these personas will help provide better clarity in determining the method, style, design, and type of marketing strategies that will be most effective in recruitment efforts.

September 2017 wellness calendar.

Operations and Fitness Departments:

- PSS&WC hosted a lower number of athletic rentals during the month of September due to the closure of the gymnasiums for the floor resurfacing project. Party rentals involving the aquatic area were lower than average given the minimal locker room access resulting from the renovation project as well as the gymnasium closure.
- The gymnasium flooring project was completed on schedule from September 18th through September 30th. The floor was resurfaced, with 2 coats of polyurethane being applied as well as lines for 6 pickleball courts and 4 cross volleyball courts. Staff as well as PSS&WC members and guests utilizing and renting the gymnasium are pleased with the outcome of the resurfacing of the wooden floors.
- The PSS&WC member club locker room renovation project was extended beyond the original opening date of September 30th with an anticipated full reopening date in mid-October. Despite the partial reopening on September 30th and extended completion date, member response has been very positive due in great part to the positive ways in which the Member Services team, Service Desk team, and MOD team have conveyed updates and information. Project details have been provided

within the facility and announcements have been made via the PSS&WC website. The locker room project renderings, along with product samples, continue to be posted within the facility. The entire PSS&WC team continues to relay a consistent and positive message to members about the project.

- The benches within the men's and women's club locker rooms are in process of re-upholstery. All upholstered tops for the benches have been removed, with the anticipated completion and re-installation timeline of the week of October 23rd.
- The new annual custodial agreement began on September 1st for PSS&WC after completing the bid process and receiving board approval. With the new agreement, the male custodial staff person was removed from the updated bid process. Therefore, PSS&WC interviewed and has hired a male custodial support staff person for the week day evenings. This position will continue into 2018, budgeting for a PT1 custodial position to accommodate for the average of 28 evening hours per week, with the shift beginning 5 nights/week at 5:30pm- facility closure.
- Fitness department will be running promotions to promote Health Coaching and Nutrition services.
- PSSWC has installed the new App Audio system. The system allows for members to listen to TV audio and music throughout the entire facility by utilizing a smart phone App. The App will also be used for in-house marketing. We are running a promotion second week of October to highlight the App. Members will log onto the App to receive a code to be entered in a drawing.
- PSSWC had a Nutrition Workshop, Belly Busters, on 9/28, taught by Zac Marshall. The seminar had 12 participants. The next workshop is schedule for 12/5.
- First Session of fall swim lessons started on September 12. We have 259 participants. Last fall session 1 had 280 participants. We are down 21 for first session.

MARKETING DASHBOARD

Mobile App Active Users – Source: Apple iTunes & Google Play reports

NEW DATA! C&M is evaluating whether the mobile app is a useful tool for our residents or as a marketing channel. Meanwhile, Apple has changed its analytics. We now can only get information on the number of active users per month for those Apple users who have opted-in to allow their info to be tracked. Only 25% of our users have opted-in, so we are estimating a number 4 times this number to arrive at as accurate a number as possible. The numbers below are a total of Apple and Google Android users.

July 2017	August 2017	Sept 2017	Oct 2017	Nov 2017	Dec 2017	Jan 2018	Feb 2018	March 2018	April 2018	May 2018	June 2018	July 2018

Mobile Access – Source: Google Analytics

NOTE: “Prior to” column indicates how users accessed HEparks prior to the app and mobile-friendly website. Responsive mobile-friendly website launched Oct 28, 2014; app launched April 25, 2014; mobile WebTrac launched in late November 2014.

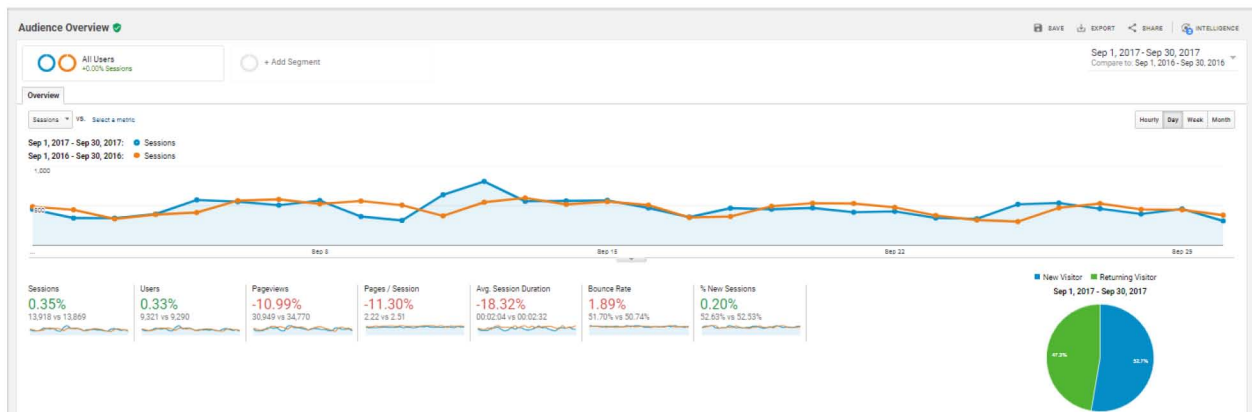

Source:	Prior to App & responsive web:	Sept 1-30, 2016	Sept 1-30, 2017	Change from last year

Desktop	63%	12%	10%	-2%
Mobile	27%	73%	78%	+5%
Tablet	10%	13%	11%	-2%

*A decrease in tablet views is speculated to be a result of more mobile phone use as mobile phone screens are increasingly larger. Tablet sales have leveled off. It is more convenient to use a smart phone which is always within reach. (<http://time.com/3532882/people-arent-buying-tablets/>)

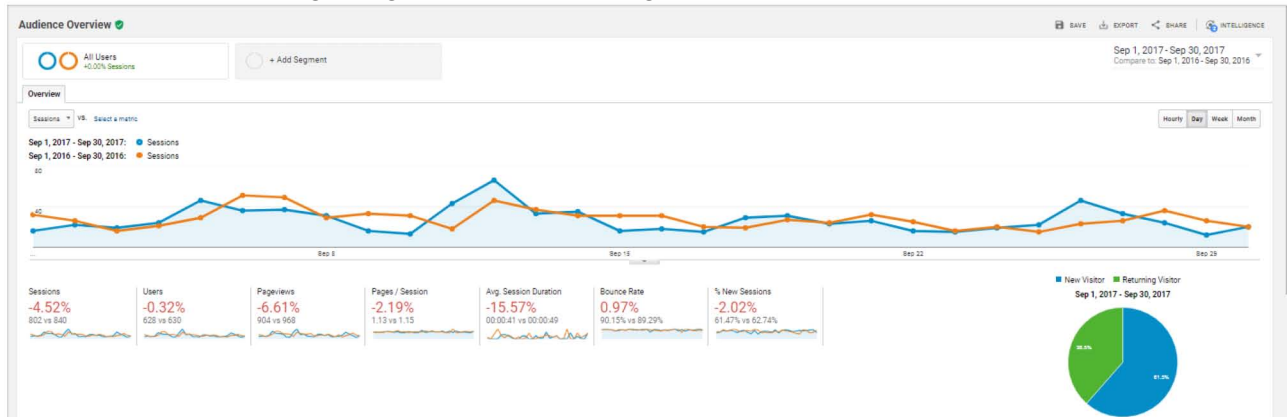

Website HEParks.org – Source: Google Analytics

Hits to the website home page are slightly up.

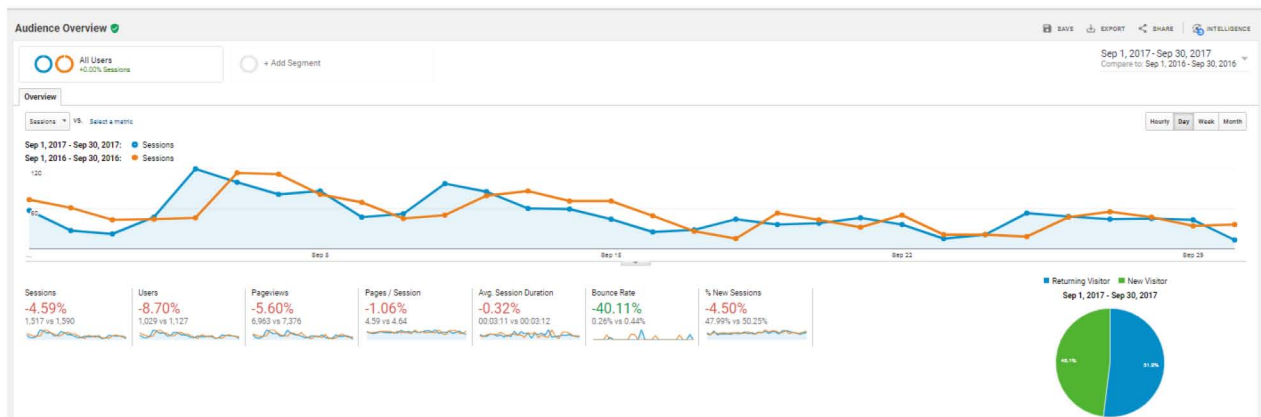

Program Guide Online – Source: Google Analytics

Hits to the program guide were down slightly.

WebTrac/Online Registration Page Hits – Source: Google Analytics

Webtrac hits are down as visitors are migrating to the mobile webtrac, which is up considerably.

Mobile Webtrac – Google Analytics

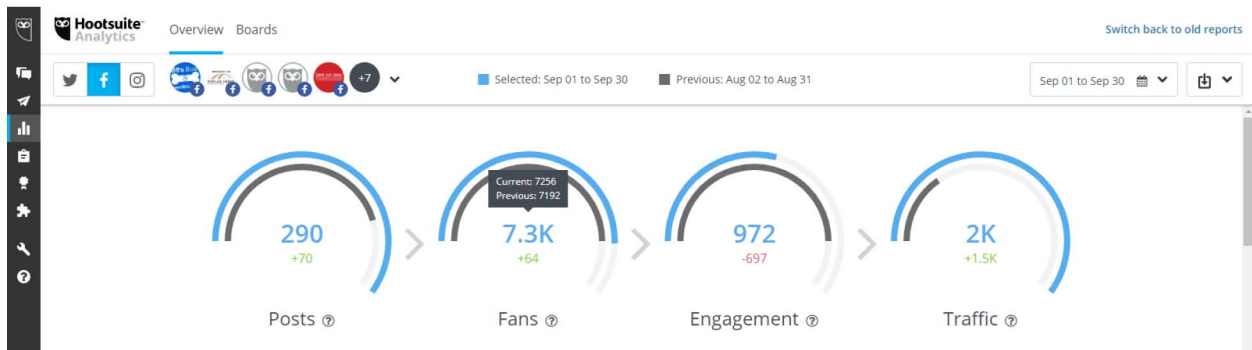

The number of people accessing Mobile Webtrac from their mobile devices is down as compared to last year, and about the same as those browsing Webtrac with a PC. We changed some of the direct links to program search results to go directly to Webtrac, not mobile Webtrac because the mobile version doesn't display the search results, it directs to the main page, which is hard to search on.

NEW! Snapchat Geofilter – The C&M Staff created on-demand geofilters this month to add to our social media efforts. A geofilter is a picture “frame” a snapchat user adds to a photo or video that identifies the place or event they are attending. We created a general one for HE Parks that we experimented with and also one for the Doggie Carnival. More will be created for the upcoming Halloween events. As one of the fastest growing social networks, with over 100 million daily active users, Snapchat is great for engaging younger audiences.

Halloween Events at HE Parks All Treats, No Tricks

Kids can enjoy Halloween in a safe, not scary environment at the Hoffman Estates Park District's many events.

Courtesy of Hoffman Estates Park District

Hoffman Estates Park District

Kids of all ages can enjoy the fun of Halloween without being frightened at the many events held by the Hoffman Estates Park District (HE Parks) this fall.

"We want everyone to have fun and enjoy the events and not be scared," said Mike Kies, Director of Recreation and Facilities for HE Parks. "There are so many scary aspects that can be really frightening for kids, so we wanted to avoid all that and just provide as many fun, safe activities as we can this season."

ADVERTISING

Sat. October 14, Pumpkin Fest at Vogelei Park from noon to 2 p.m.
Enjoy live music, crafts, climbing wall, games and free pumpkin decorating. Admission is free.

Sat. October 28, Halloween Bash at Triphahn Center from 10 to 11:30 a.m. Registration in advance is required and a minimal \$5 or \$6 fee applies for this fun event where kids come dressed in their costumes for games, crafts, snacks and pumpkin decorating.

Doggie Costume Contest - Even four-legged friends can get in on the fun. Dog owners can send photos of their dogs in their costumes for a chance to win a free dog park membership. Runs throughout October, details are available at heparks.org.

In fact, some of the events focus on physical activity, and less on the treats, as a way for kids to get some exercise but also take part in Halloween fun. These events include:

Sat. October 14, Hoffman Walks for Halloween at Vogelei Park from 10 a.m. to noon. Come early before Pumpkin Fest and walk around the park in your costume. Attend five walking events and get a prize. This event is free and there is no registration.

Sat. October 28, Pumpkin Swim at Prairie Stone Sports & Wellness Center, two sessions are available at 1 p.m. and 2 p.m. Registration is required and \$15 or \$20 fee applies for this fun way to celebrate. Kids will enjoy a half hour swim in the indoor pool to pick a pumpkin from the pool, then get a chance to decorate it later. See details at heparks.org.

Mon. October 30, Trick or Treat Climb at Prairie Stone Sports & Wellness Center, two sessions available at 6 p.m. and 7 p.m. Registration is required and a \$12 or \$15 fee applies. Kids will climb the climbing wall, as they get higher the treats get bigger and better.

Sat. October 29, Great Pumpkin Skate at Triphahn Ice Arena from 3 p.m. to 4:30 p.m. This ice skating event is fun for the whole family. Wear your costume to get in for free and get free skate rental, there is no registration.

Nature lovers can help collect seeds during National Public Lands Day

Submitted by Hoffman Estates Park District

Volunteers are needed to join hundreds of thousands of fellow Americans at public land sites across the country to give back to the lands where we play, learn, exercise and relax in celebration of the 23rd annual National Public Lands Day — the nation's largest, single-day volunteer effort for public lands.

Nature lovers are encouraged to attend the Hoffman Estates Park District's Wildflower Collecting event Saturday, Sept. 30.

NPLD, coordinated each year by the National Environmental Education Foundation, brings together volunteers from across the country to improve and restore the lands and facilities that Americans use and enjoy every day.

Each year, NPLD volunteers provide tens of millions of dollars worth of services in one day that would otherwise take limited park staff months to accomplish. Last year, more than 200,000 Americans participated in NPLD events at more than 2,500 sites in all 50 states, Puerto Rico, and Washington, D.C.

Locally, HE Parks is seeking volunteers of all ages to collect wildflower and native plant seeds to assist in this national effort. The event takes place from 9-11 a.m. at Charlemagne Park, 3799 Bordeaux St., in Hoffman Estates. Volunteers should RSVP to Communications and Marketing Superintendent Sandy Manisco at marketing@heparks.org or (847) 781-3672.

Groups and individuals of all ages are welcome.

"This is a really fun event," said Manisco. "It's easy to

participate, and everyone learns so much about native and nonnative plants, the importance that native plants like Milkweed play in our environment, and it gives people a chance to discover a new, beautiful park. Many people aren't aware of Charlemagne Park and how lovely it is."

Volunteers should dress comfortably, bring water to drink and a pair of garden gloves, if they have them, added Manisco.

Local residents, plus Girl Scout and Boy Scout troops have helped out in the past at Charlemagne Park, where more than 30 pounds of seeds have been collected in years past at the events, which have

taken place since 2013.

"This year marks the 23rd anniversary of NPLD. We're celebrating the occasion by looking back at all the amazing work done by our volunteers over the years in support of their local, state and national parks, and by looking ahead at how communities will continue to use their public lands to improve their quality of life," said Robb Hampton, program director at the National Environmental Education Foundation, which coordinates National Public Lands Day.

Through NPLD, NEEF works to connect people to public lands in their community, inspire environmental stewardship, and encourage use of

public lands for education, recreation and general health.

Toyota Motor Sales, USA, Inc., is the event's national sponsor, providing support and thousands of employee volunteers for the 18th consecutive year.

More information on NPLD can be found on the NEEF website, NEEFusa.org/NPLD. The public is encouraged to follow and participate in the environmental stewardship conversation on social media using the hashtag #NPLD.

Golf Maintenance Summary

In September we saw daily highs and lows averaging 79.7 and 59.1 degrees, this is about five degrees above normal. This included seven days with temperatures above 90 degrees. Up until the beginning of September we only had nine days with temps above 90 degrees. Precipitation was severely lacking in September, we only saw 1.7". This is just about half of what we normally see in September.

With the lack of rain that we have gotten over the last 2 months our irrigation system has been put to the test. This has resulted in many leaks and broken heads. Countless man hours have been spent during September digging holes to make repairs.

Mid-September the maintenance team performed one of the most important cultural practices of the year, fall aerification. Over two days we were able to aerate and fill holes on all the greens. We aerated each green twice, once with our deep tine machine using 1/2" solid tines going down about 9". This process

produced roughly 3.1 million holes across our 3.1 acres of greens. The deep tine was directly followed by our Pro-core with 3/8" hollow tines, which pulled a core about 3.5" deep. This process added roughly another 5.1 million holes to the greens. It took about 52 tons of sand, just over two dump trucks, to fill all 8.2 million holes that were created. With the warm temps the greens responded really well and were fully healed within a week. We were also able to spike fairways and punch holes in tees once we finished greens.

The maintenance staff also worked on some of the following tasks:

-  Hand watering playing surfaces
-  Edged and mowed bunker banks
-  Trimmed suckers on trees
-  Removed volunteer trees from native areas
-  Pruned trees
-  Planted perennials around clubhouse
-  Chemical applications
-  Fertilized greens, tees, and fairways
-  Filled divots on tees and select fairways
-  Weeded beds
-  Organized shop for PDRMA inspection

**HOFFMAN ESTATES PARK DISTRICT
2017 GOALS & OBJECTIVES
REC, FACILITIES, ICE, C&M DIVISION**

Key: C = Complete / SC = Substantially Complete / IP = In Progress / NB= Not Begun / NA = Not Accomplished

DISTRICT GOAL 1: PROVIDE HEALTHY AND ENJOYABLE EXPERIENCES FOR ALL PEOPLE

District Objective 1: Offer healthy and enjoyable experiences that promote equal access

Division Objectives	Measures/Action	Status	Achievement Level/Comments
Develop performance measurement system to evaluate value in programming structure	(ICE) Offer ice time for figure skating and hockey lesson programming based on the current participation needs. Provide additional open skate times in the schedule as space allows. Complete by end of Q2.	C	Skating classes are being offered 4 days a week with public skate being offered on Saturday and Sunday for the spring.
	(SEA) Evaluate rentals/parties to enhance the experience at Seascape Party Rentals. Present recommendations to the Director of Recreation and Facilities, complete by end of Q3.	C	Seascape evaluation for parties and rentals will be occurring during season, which will begin within Q2. The evaluation form was created in July. Results will be assessed and modifications will be made, if feasible. Given the development of the updated district template for surveys, a more consistent evaluation/survey form will be completed and processed within 2018.
Expand Marketing communications with the use of social media and mobile applications.	(C&M/FAC) Utilize social media to promote monthly events and contests at TC/WRC. Develop monthly contests and begin offering in Q3 & Q4 to promote facilities. Hire a full time Social Media employee.	IP	I Luv HE parks contest ran Q1 & Q2. Doggie Costume Contest in Q3 and TBD in Q4. Digital Media Associate started 6/12.
Develop plans to renovate Chino Park to meet community needs	(REC) Research adding Community Garden Plots to Chino Park. Research the ability of working with the village on this as a joint program. Determine a number of plots if the ROI suggests that it is a feasible project by Q1. Make recommendation in Q2.	IP	Staff has discussed some preliminary ideas and concepts for the site, additional ideas will be brought to the table in Q2. Staff has prepared a plan for plot sites and is currently in the process of benchmarking other districts for implementation in spring of 2018. Staff have come up with guidelines and a programming

			plan for plots to open in April of 2018.
Improve the overall health outcomes of programs offered	(DIVISION) Research, improve and expand on recreation, service and programming opportunities. Benchmark other organizations that are providing programs and services that are on the uptrend in specific areas. Each department should benchmark 2 new programs/services. Offer 4 new programs by end of Q2 and have 2 of these programs to run.	IP	Staff was able awarded the IAPD Power Play grant, with this program new health initiatives will be added to the afterschool STAR program in collaboration with the PSS&WC team.
	(REC) Develop new adult athletic leagues at Cannon Crossing Park. Offer two new adult athletic leagues by end of Q3.	IP	Staff has developed a new adult Wiffleball league. Staff is also working with an outside contractor to develop and implement a new flag football league for adults which take place by end of Q3. A contractual flag football league was run in early fall with 4 teams.
	(REC) Hold at least 1 disc golf tournament at Black Bear Park.	SC	On Sunday, February 12 th , a disc golf tournament was held at Black Bear Park by a local organization called Bird Brain Disc Golf (a Professional Disc Golf Association sanctioned organization). Over 40 golfers participated. They are interested in doing another tournament again this year.
	(FAC) Increase the number of health & wellness programs to the community. Develop 5 new programs and have 2 new successful programs running by Q4. Use Social Media to promote new programs via contests, video, and other content with one per quarter for a total of 4 by the end of Q4.	IP	Hoffman Walks will take place one Saturday each month. HE Parks will host a 2-hour walk at a park or facility open to all ages and abilities. There will be a total of 12 walks annually. Currently 4 walks have taken place with strong participation numbers of 15-35 walkers. Pound, a new contractual fitness class was offered and is running with 5 registered participants and drop in participants each week.
	(FAC) – Increase the number of portable climbing wall rentals by 4 events from 2016. The portable climbing wall had 11 rentals in addition to 2 in house events in 2016.	NA	We have begun taking reservations for the 2017 season. Staff is also working potentially with an outside vendor to rent the wall for additional opportunities. The portable climbing had 6 outside rentals

			in addition to 3 Village events and 2 in house events.
Expand facility based special events that promote greater facility usage	(REC) Offer 3 new events/activities that run with at least the minimum number of participants by the end of Q4. Staff will utilize Social Media to promote these new events via contests, video, and other content, one per quarter by Q4.	IP	Staff has developed and started to offer a successful Hoffman Walks program which takes place monthly and/or 12 total per year. Staff was awarded the IAPD Power Play grant and is currently in the process of developing the educational sessions for our after school program in health, wellness and nutrition. Staff worked with the HEHS to offer a new summer ICompete Camp.
	(REC) Offer greater opportunity for 50+ members to join the fitness center through multi-tier 50+ membership and perks. Q3	SC	Staff has developed a new 50+ membership program and met twice with the 50+ ambassadors group to define and refine the options. Staff is also looking at adding additional fitness opportunities once the Northside renovation is complete. A fitness add-on option to the 50+ membership at a reduced cost has been discussed; implementation is pending. Staff have implemented a “Super Senior Fitness Membership” where participants 62 and over will automatically get a 50+ membership with their fitness membership.
	(REC) Offer a 3 on 3 outdoor basketball tournament by the end of Q3.	C	3 on 3 basketball tournament will be offered at PIP in August, if successful staff will be looking to expand on this opportunity. 3 on 3 basketball was a hit at PIP with 16 teams. Event will be offered again next year.
	(REC) Expand on and add new additions to current special events to draw more people to events. Add 2 new aspects to each event.	IP	Hoffman Walks was combined with a healthy workshop on the benefits of walking. Next walk is April 8th. Reconfigured the set up and structure of Daddy Daughter and Mother Son event space to accommodate additional participation, over

			10% in Daddy Daughter and 20% increase in Mother Son. Offered additional entertainment to the family fun night “Jim Gill” for ELC and PS families. 3 on 3 basketball and Bingo will be added to PIP in August.
Create recreational programs and opportunities to target underserved “demographic populations”	(REC) Increase the number of underserved targeted programs. Offer 2 new programs by end of Q4.	SC	Staff worked with Harper College to offer additional programming that HEPD is not currently providing, i.e. Fencing, additional gentle yoga. Staff is also working on offering additional teen programming opportunities at TC, i.e. Friday Live, Dodgeball, etc. Staff working with Elgin Community College to offer additional programming, similar to the partnership with Harper. Staff offered an ICompete Summer Camp in partnership with HEHS. Staff is working with new instructors to offer Chess and other new programs to underserved populations in the Winter of 2018.
	(FAC/C&M/REC) Develop a community walking program for park district. Implement in Q2.	IP	Hoffman Walks attendance: 3/11 - 30 participants 4/8 – 30 participants 5/6 – 15 participants 6/17 – 35 participants 7/8 – 24 participants 8/5 – 26 participants 9/16 – 24 participants
Evaluate facility space utilization to accommodate growing programming needs.	(REC) Open additional DCFS licensed ELC 4 year old classroom at TC with 10 children by end of Q4.	IP	Staff is working on furnishing and promoting the new classroom; also working with DCFS to schedule licensing once classroom is complete. Classroom has been fully furnished; staff is currently promoting this classroom & meeting with interested families. DCFS will be out in August to license the classroom, prior to operation at the end of August. Staff is currently taking registration. Classroom was officially licensed in August and opened in Sept. Currently there are 10 children enrolled.

	(FAC) Offer a welcome back promotion for rentals in Q3 at TC once the new space is completed. Work with C&M in Q1 & 2 on the marketing plan.	C	Staff is working with the C&M department to offer promotional opportunities to previous clients and potential new customers too. A 10% discount was offered to anyone booking a new reservation for the renovated north side during the reopening.
	(REC) Offer at least 2 nights of classes on the north side (10 classes in all).	SC	Staff is currently working with the schedule to move classes back and also offer new classes through Harper and our own in-house opportunities. Currently there are 2 dance classes in-house, and 1 rental dance program, 2 yoga classes and monthly reoccurring 50+ activities. Staff has also scheduled numerous day time, weekend and morning activities within the 50+ area. Finally staff has seen an increase in space usage for rentals. Going forward additional classes are planned for this space including Harper College joint programming along with in-house.
Develop program life cycle model for all programs to assess meeting community needs	(DIVISION) Develop a systematic approach to identifying trends in the different industries as it relates to customer preferences. Benchmark 3 state and national recreation agencies. Obtain at least 2 models to compare by Q2. Develop recommendations by 3Q on programs to phase out in 2016/17.	NB	
Expand specialized programming opportunities that utilize partnerships and contractual agreements	(FAC) Continue to expand programming opportunities with Harper College. Offer 2 additional programs by end of Q2.	IP	Staff has worked with Harper to add a gentle yoga class starting in 2017. Staff will continue to expand on the current list of 9 joint classes offered between Harper College and HEPD. During the first session there were over 80 total participants would were active in this partnership programming opportunity. Staff is meeting with Elgin Community College to offer the same partnership. Fac & Rec staff are working with Harper College to begin offering additional adult classes to include

			Drawing, Painting, Pottery, Genealogy and Jewelry Making beginning in 2018.
	(REC) Create 2 new youth sports leagues using a contractual company by end of Q2.	SC	Staff at PSS&WC has partnered with Kids First to offer additional programming opportunities at this site. Staff is also working with a contractual flag football program and the Ice Operations area is developing sports specific training for off-ice with the fitness department at PSS&WC. A 3 on 3 indoor soccer league is being offered this Fall/Winter and will begin in January 2018.
	(REC) Develop and expand the relationship with the Windy City Bulls to integrate their organization into the HEPD youth basketball program. Offer 1 new program with the Windy City Bulls by end of Q3.	C	Staff offered a night out for tickets for the basketball teams, thus Windy City Bulls promoting that night as HEPD youth basketball appreciation night. Staff also worked with the Windy City Bulls to have the mascot and a representative on site at TC during the mid-basketball season.
	(REC) Increase the number of programs offered to the community. Develop 5 new programs and have 2 new successful programs running by Q4. Create new programs to replace all phased out programs by Q4.	IP	Staff has developed the new Hoffman Walks program, which provided 30 participants the opportunity to come out and learn about the benefits of walking. A gentle yoga class was added in collaboration with Harper College. Staff has developed and is currently offering new 50+ trips. ELC and PS is now offering one hour session on Fridays introducing various sports to the young participants. A Youth Summer Basketball program is currently being implemented. Recreation staff will be starting regular brainstorm meetings to prepare for upcoming program guides in an effort to create new programs and phase out the old ones. A 3 on 3 indoor soccer league is being offered this Fall/Winter and will begin in January 2018.

	(REC) HEPD will offer a Whiffle Ball league that will be contracted out to WAKA, complete by Q2.	NB	HEPD is currently taking registration for this league and looking forward to expanding on the opportunities with WAKA. The program was offered in Q2 and there was not enough registration to run the program at the time. The Athletic department will offer the program again in Q2 of 2018.

District Objective 2: Achieve customer satisfaction and loyalty

Division Objectives	Measures/Action	Status	Achievement Level/Comments
Expand Marketing communications with the use of social media and mobile applications	(DIVISION) Work with the other areas of the park district to utilize social media to cross sell and upsell various services throughout the park district. Increase fan base by 10% on FB. Complete additional training with outside consultant with 4 additional site visits by Q3. Increase team member performance in upselling and cross selling from Q1 to Q4, based on consultant's reports.	IP	Staff has been working with C&M department to expand on the fitness membership marketing opportunities to the general public.
Promote brand identification and tagline to increase community awareness of District parks, programs, facilities and services	(C&M) Develop an easy, quick, but quality online survey to measure customer satisfaction for special events and programming. Complete by Q1.	IP	Staff worked with an outside contractor Ron Vine & Associates to identify and streamline the district wide survey process to help create balanced consistent measurable values across the board. Ron Vine presented findings to staff on 6/30. Survey Committee is creating a 2018 calendar and surveys from a survey template.
	(C&M) Promote brand identification and tagline using marketing channels and social media engagement, complete one campaign per quarter. Complete by Q4	IP	Staff implemented the I luv HE Parks contest Q1, which did not do well. I Luv HE parks contest ran Q1 & Q2. Doggie Costume Contest in Q3 and TBD in Q4. Digital Media Associate started 6/12. Staff is evaluating contests for the remainder of 2017.
Develop plans to meet increased program needs of 50+ population.	(C&M) Measure satisfaction with the overall quality and user-friendliness of the website particularly as it relates to registration and a means for communication. Create an ongoing online short survey by Q3, no more	NB	

	than 5 questions, implement in Q4.		
Expand Pickle ball opportunities and evaluate need for additional courts.	(REC/FAC) Expand the opportunity for additional painted lines at the PSS&WC facility to enhance the quality of play. Complete by the end of Q4. Evaluate the current inventory of courts within the community and determine if it is possible to offer additional surfaces for this program, by Q2.	IP	Staff was able to obtain a grant from the United States Tennis Association to enhance the quality of play and create a more conducive environment to develop tennis players at a younger and older age from a beginner's perspective. This grant will allow blended lines to be included in the PSS&WC tennis court resurfacing program, thus creating smaller courts and more volley time. The courts will be completed within mid-August.
Educate parents regarding the child development benefits in our programs and services.	(REC) Offer two open house type special events that promote the program and also the benefits of those services. Complete by Q4.	IP	ELC Open House was held on Saturday, March 4 th at TC and WRC – 4 new families were in attendance. Staff is currently planning the additional open house for the summer promoting the new classroom space. The North Side Renovation Grand Re-Opening event served as an open house for all programs at the district, including athletics, ELC and Preschool, hockey and the Off-Ice Training Area, 50+ activities, fitness and general recreation. Another ELC Open House is scheduled for August 5 th . The 50+ Program Manager is also currently planning the annual 50+ Open House to be held on August 30 th . The 50+ Open House was held on August 30th with 200 participants in attendance.
Utilize best practices to maximize operational efficiencies as a District	(REC) Triphahn Center PS and ELC will complete all paperwork needed for renewal of 5 year NAEYC accreditation. Obtain accreditation complete and received by Q4.	IP	Preschool and ELC have decided to go in a different direction in terms of accreditation. Will now be focusing on the ExceleRate Illinois Accreditation Program.
	(REC)- Create a baseball coaching training program. Use our travel program coaches who are ILB certified and help implement into our in-house leagues. Complete by Q3	NB	A basketball coaching training was created and implemented for the summer basketball league.
	(ICE) Support growth of local amateur hockey clubs (PREP, Lake Zurich,	SC	Staff is currently utilizing the space for in house programs and has worked out an

	BG/P/RM,) to go over needs and expectations on both sides. Promote new off-ice training area. Obtain 2 new groups by the end of Q3.		opportunity for the travel league to utilize this space as well. Secured 2 high schools for fall of 2017 with possibly 2 more coming on board as well.
	(FAC) Purchase Fitness Equipment and/or move fitness equipment from PSS&WC. Complete by Q4.	IP	With the addition of new equipment at PSS&WC staff is evaluating what pieces can and will be relocated within the current inventory at TC and WRC. With the purchase of the fitness equipment for PSS&WC, the oldest equipment was selected to be traded in – most of the equipment was the original equipment which would not have been suitable to place at other district fitness facility locations. Therefore, these pieces were traded in with the purchase of the new equipment. Staff will be working in Q3 to purchase new budgeted fitness equipment for TC and WRC.
	(REC) Research to recommend to the Foundation the opportunity to purchase vans and/or a bus in 2018. Complete by Q3	IP	Staff is researching an efficient and effective plan for another vehicle, and the costs associated with each.
