

Dear 2's Playschool Parents,

The children in 2's Playschool are doing better and better with their adjustment to our classroom. In just a couple of weeks we can start letting them know about the upcoming transition that will happen in January. During class, we will have helpful hints and suggestions on how to make this transition successful.

### Curriculum

During the month of November the curriculum will focus on corn, scarecrows, turkeys and Thanksgiving. We will use these themes to enhance our knowledge of colors, shapes, numbers, counting, fine motor, science, social skills and much more. The developmental areas of growth (Physical Development, Language and Communication Skills, Social and Emotional Development and Cognitive or Thinking Skills) are always kept in mind when we plan for class. Please remember there is no class on Thursday, November 26, because of the Thanksgiving Holiday.

### Important Dates and Reminders:

- Feel free to ask us teachers questions at the end of class or call our direct line at **(847) 885-7500 extension 629**
- Our classroom participates in Scholastic book orders. More info on this to come. We will only be accepting on-line orders. Our classroom code for Scholastic book orders is **GY82R**
- **Thursday, November 26 – No Class**

Happy Thanksgiving!!

Ms. Monique and Ms. Jean
