

HOFFMAN ESTATES PARK DISTRICT
Hoffman Estates, Illinois

FORM OF PROPOSAL

Proposal of _____, hereinafter
called the "BIDDER", (a) / (an) _____,
(Corporation, Partnership, individual)
doing business as _____, to Hoffman Estates Park
District, hereinafter called the "OWNER."

* * *

The Bidder, in response to your advertisement for bids for **Fire Protection /Sprinkler Work** having examined the Specifications and other Documents and being familiar with all of the conditions surrounding the proposed work (purchase/sale) including availability of materials and labor, hereby proposes to furnish all labor, materials and supplies and to construct the project in accordance with the Contract Documents, within the time set forth therein and at the prices stated below. These prices are to cover all expenses incurred in performing the work required under the Contract Documents of which this proposal is a part.

Bidder acknowledges receipt of the following Addenda, which are a part of the Contract

Document: Numbers: _____, _____, _____, _____.

Bidder hereby agrees to start work within five (5) days after receipt of "Notice to Proceed" from the Owner and to complete the project according to the scheduled provided in the contract documents. All work under this proposal shall be completed no later than April 7th 2017 unless an extension due to extenuating circumstances is granted by the Construction Manager.

SCOPE OF WORK
Fire Protection /Sprinkler Work

The specifications and drawings are to govern the extent of the Work required or reasonably incidental to this Bid package. The following list of Work items is to be included and considered complementary to the drawings and specifications:

Furnish all labor, tools, material, and equipment required and necessary to complete the following:

1. Furnish and install wet sprinkler system complete with valves, alarms, heads, piping and required accessories.
2. Furnish a completely designed sprinkler system. The entire sprinkler system shall be designed and installed in accord with applicable NFPA pamphlets. Installation drawings and calculations shall be submitted for review by Hoffman Fire Department and Code Enforcement Department.
3. Perform all testing for sprinkler water piping as described in the project specifications and as required by local authorities.
4. Furnish and install all equipment/piping supports bases and foundations as required for sprinkler system installation.
5. Provide openings for all sprinkler piping penetrations through floors and walls as required. This contractor shall furnish and install fire-stopping around sprinkler piping at fire resistance rated walls as required in accordance with Section 07841 of the project specifications.
6. Sprinkler materials shall be as recommended by the applicable NFPA document.
7. Connect to existing building fire protection sprinkler system as shown on the drawings.
8. Establish lines and grades and perform layout for the installation of the fire protection sprinkler work.
9. Provide temporary power as necessary to complete your own work.
10. Provide a **\$2,000** allowance in the Base Bid price for labor and material to perform on a T&M basis for modifications as directed by Construction Manager. Unused portions shall be credited back to the Owner.
11. Provide adequate staff to review the Contract Documents and request, in writing, any additional information required well in advance of the actual fabrication or installation. Coordinate and communicate installation information with all other trades where there is interface, connection or contact with a product or work being installed and/or supplied by others.
12. If this Contractor is determined to impede the progress of the project schedule, the work delaying such progress will be passed over in a normal course of business and this Contractor shall be responsible for installing the work under other means and paying for additional costs, remedial work or damages resulting from such action.

Bidders agree to provide all materials, labor, supervision and markup costs to complete the work required under this proposal as specified in the contract documents for the sum of:

Which includes a **\$2,000** allowance to be used by the owner should it be necessary to complete this project. Any unused portion of this allowance will be retained by the owner.

\$_____ (in writing)

ALTERNATES The Contractor shall indicate an ADD or DEDUCT cost to the following items if they apply to their trade being bid as part of this package. Said alternates include all labor, material, equipment charges for incidental expenses, general conditions, supervision, taxes, insurance, overhead and profit.

SUSTAINABILITY STATEMENT

Introduction

The Hoffman Estates Park District is committed to green and sustainable practices and good environmental stewardship. Consequently, we are asking bidders to provide a Statement of Sustainability to ensure our bidders are also incorporating sustainability into their firm's practices.

Instructions

Provide a clear description of your firm's sustainable practices, policies or procedures to the below sections or attach a copy of your practice. These practices may include but are not limited to:

Waste Minimization within the office or facilities through recycling programs, double-sided copying, electronic internal communications, recycled content in materials, reusable cups, limited printing, electronic document management, green purchasing policies, green cleaning supplies or reduced packaging in materials procured or supplied. _____

Energy Efficiency within office, facilities or firm through lighting retrofits, photo sensor switches for lighting, use of day lighting, Energy Star rated appliance or equipment, alternative fuel or efficient fleet, anti-idling policy, or indoor temperature management. _____

Water Efficiency in office, facilities or firm through faucet or fixture retrofits, switch individual bottled water to office water coolers or drinking fountains, drought tolerant landscaping. _____

Staff are encouraged to be sustainable and supported by your firm through public transit benefits, bicycle accommodations, telecommuting options, support to attend green seminars, US Green Building Council LEED accredited or the creation of an internal green team. _____

Education of your staff about green practices, your business peers of your green accomplishments, your community of your sustainability, or any environmental awards your firm has achieved. _____
