5. **Old Business:**

None

6. **New Business:**

A. School District 54 Agreement/M14-148:

Executive Director Bostrom reviewed the item noting that due to the way DCFS viewed the programs now, if the park district wanted to be able to receive funding from DCFS they would need to make the school district the Admin Agent. Additionally, the new agreement will now expire June 30, 2020.

It was noted that this item would appear on the Board consent agenda and no vote was required. The consensus of the committee was that the Agreement should be approved by the board.

B. Renaming of High Point/M14-145:

Executive Director Bostrom reviewed the item noting that he had only received a single call about the renaming. Commissioner K. Evans asked if there had been a notice in the paper and it was noted that there was. He also explained that even as a longtime resident of High Point Park, it was a good to acknowledge someone that had given so much to the district in this manner. Comm Rep Winner noted that he was very deserving of this honor. Commissioner McGinn congratulated staff on doing a good job checking into the history of Mr. Fabbri. Commissioner Greenberg noted that they would also be putting that history on a marker for the park.

Information only.

C. Succession Planning /M 14-150:

Executive Director Bostrom reviewed the item. Comm Rep Utas asked if the job description changes would change payroll and it was noted that it would not. He also asked about the education costs and Deputy Director Talsma explained that depending on the cost of the class that was related to job improvement, the district picked up all or a portion.

Comm Rep Katis made a motion, seconded by Comm Rep Utas to recommend the board approve the succession planning and revised job descriptions as presented. The motion carried by voice vote.

D. Tax levy Ordinance in final form 014-008/M14-130A:

E. B&A ordinance in final form/O14-010/M14-153:

Deputy Director Talsma reviewed the item noting that the memo outlined a few changes to the final budget which had been approved in tentative form 30 days earlier. Comm Rep Katis asked about the \$44,000 salary cut off for the 2% increase and Deputy Director Talsma explained that it had been determined based on other area salaries, whether or not the increase would put the employee above other staff and that it affected 28 employees

Comm Rep Winner asked how long the extended warranty was and it was noted that it would be for year 6 through 10.

Comm Rep Utas made a motion, seconded by Comm Rep Winner to recommend the board approve Ordinance o14-010 B&A ordinance as outlined in M14-153. The motion carried by voice vote.

F. A&F Report/M14-152:

Comm Rep Winner asked about the ATMs and Deputy Director Talsma explained that they had been installed by Charter Bank and taken over by HE Community Bank; however, the ATM at BPC was maintained by another firm and actually making money for the district. He noted that they were looking to first - Make money for the district on the use of the ATM; second - Provide the service to the public for free or third - Will need to pay to have the service available.

Deputy Director Talsma also explained that the crew doing routine maintenance on the cell tower at WRC dropped the panel and broke it. While awaiting a new panel, the flag had to be removed to keep it from blowing into the exposed area and would be repaired soon and the flag would be put back on the pole.

Comm Rep Winner made a motion, seconded by Comm Rep Utas to send the report to the board. The motion carried by voice vote.

G. Detail Reports:

Comm Rep Katis asked why the district was receiving money back from Com Ed. Deputy Director Talsma explained that the meter broke at BPC and even though they contacted Com Ed, it took until October and Com Ed sent estimated invoices that the park district felt were estimated on the high side. We appealed and Com Ed is crediting the account in our favor.

Comm Rep Katis made a motion, seconded by Comm Rep Utas to recommend the board approve the manual checks in the amount of \$271,031.43 and the monthly invoices in the amount of \$814,569.03. The motion carried by voice vote.

## HOFFMAN ESTATES PARK DISTRICT MEMORANDUM # 15-004

To: A&F Committee  
From: Dean Bostrom, Executive Director  
Craig Talsma, Deputy Director/Director of Admin & Finance  
Eric Leninger, HR Manager  
Date: January 12<sup>th</sup>, 2015  
Re: Pregnancy Discrimination Policy

---

### **Background:**

The U.S. Equal Employment Opportunity Commission (EEOC) recently issued an updated Enforcement Guidance on Pregnancy Discrimination that reinforces protection to employees via two avenues: the Pregnancy Discrimination Act (PDA) and the Americans with Disabilities Act (ADA).

In addition, amendments to the Illinois Human Rights Act (IHRA) that went into effect on January 1, 2015, also expand the level of protection provided to employees regarding pregnancy.

### **Implications:**

The PDA reinforces the notion that employers are prohibited from discriminating against employees who are, or may become, pregnant. Employers are prohibited from inquiring as to the “family planning” of an applicant. The PDA also requires that if an employer offers modified/light duty assignments to employees who are injured on the job, that employer must also offer modified/light duty assignments to a pregnant employee.

Even though pregnancy is not specifically recognized as an impairment under the ADA, there are pregnancy-related conditions that may fall within the definition of “disabled.” These conditions might require that an employer afford a pregnant employee a reasonable accommodation in order to perform her essential job functions.

The IHRA was amended on 01/01/2015 to *require* employers to provide reasonable accommodations to employees and applicants relating to pregnancy or childbirth. The IHRA also adopted a new pregnancy rights poster, requiring employers to post it at each of their facilities.

In order to ensure compliance with the updated guidance and amendments to both federal and state laws regarding employees’ rights pertaining to pregnancy, the District has posted the IHRA’s pregnancy rights poster at all facilities and drafted new policy language for the personnel policy manual.

The following addition to the personnel policy manual under section XV: Non-Discrimination, Anti-Harassment & Anti-Bullying is required:

### **PREGNANCY**

The park District prohibits and does not tolerate discrimination against anyone on the basis of pregnancy and is committed to making reasonable accommodations related to pregnancy, childbirth, and medical or common conditions related to pregnancy or childbirth. The Park District will treat all

applicants and employees who are pregnant in the same manner as any other applicant or employee with regard to job-related functions, benefits, opportunities, and purposes. No person or employee, no matter his or her title or position, has the authority, whether express, actual, apparent, or implied, to discriminate against a pregnant employee or applicant.

The Park District will not deny or remove a pregnant employee from a position because the employee is pregnant, considering pregnancy, or experiencing any pregnancy-related problems. All decisions regarding a pregnant employee's placement in or continuation in a job will be based on the same consideration that governs all employment decisions – the employee's ability to satisfactorily perform the essential duties of the job in question, with or without reasonable accommodation.

If you have a question, complaint, or problem related to pregnancy discrimination, you should relate such question, complaint, or problem to your department head. If you feel uncomfortable doing so, or if your department head is the source of the problem, condones the problem, or ignores the problem, report to the Director.

If neither of these alternatives is satisfactory to you, then you can direct your questions, problems, complaints, or reports to the President of the Board of Park Commissioners. You are not required to directly confront the person who is the source of your report, question, or complaint before notifying any of those individuals listed.

#### REASONABLE ACCOMMODATION

Employees who believe they need a reasonable accommodation to perform the essential functions of their job should contact their department head. The District encourages employees to come forward and request reasonable accommodation. If you feel uncomfortable making an accommodation request to your department head, or you believe your accommodation request was not properly managed, report the occurrence to the Director.

On receipt of an accommodation request, your department head and your immediate supervisor will meet with you to discuss and identify the precise limitations resulting from the pregnancy and the potential accommodation the Park District might make to help overcome those limitations to allow you to perform the essential job functions of your position.

The Park District will determine the feasibility of the requested accommodation, considering various factors, including but not limited to, the nature and cost of the accommodation, the Park District's overall financial resources, the accommodation's impact on the operation of your department, including the ability of other employees to perform their duties, and the Park District's ability to provide its services to the public.

What is considered a reasonable accommodation will be based on a case-by-case analysis. The Park District will inform the employee of its decision on the accommodation request or on how to make the accommodation. If the accommodation request is denied, employees/unpaid interns will be advised of their right to appeal the decision by submitting a written statement explaining the reasons for the request.

While we hope to be able to resolve any complaints of discrimination within the Park District, we acknowledge your right to contact the Illinois Department of Human Rights (IDHR) at the James R. Thompson Center, 100 West Randolph Street, Suite 10-100, Chicago, Illinois 60601, about filing a

formal complaint, and, if it determines there is sufficient evidence of discrimination to proceed further, it will file a complaint with the Illinois Human Rights Commission (HRC), located at the same address on the fifth floor. If the IDHR does not complete its investigation within 365 days, you may file a complaint directly with the HRC between the 365<sup>th</sup> and the 395<sup>th</sup> day.

**Recommendation:**

That the A&F committee recommend to the Board approval of the proposed personnel policy manual changes.

Re: Initial Review of newly-hired employees

---

### **Background:**

Previously, the personnel policy manual outlined a 6-month “introductory” period for new employees, at the end of which a newly-hired employee would receive a performance review from their immediate supervisor. The personnel policy manual did not specify a performance review *prior to* the 6-month review.

The term “introductory” does not accurately describe the training and supervision that should occur during the employee’s first few weeks on the job. In addition, failing to review an employee’s performance before 6-months has elapsed can cause the District to incur unnecessary unemployment expenses should the employee not be the correct fit.

### **Implications:**

The initial period of employment should be referred to as probationary instead of introductory because, as an employment-at-will entity, HEPD has the right to terminate employment at any time. In addition, the employee needs to be closely supervised, and job aptitude evaluated while learning the duties and responsibilities of the new position. If the employee does not exhibit performance that warrants continued employment, then the employee should not be allowed to continue working for the District.

Waiting 6-months to conduct a written review of an employee’s performance can be costly. When the employee is closely supervised and evaluated by his/her immediate supervisor, a reasonable determination of the employee’s skills and abilities can often times be made within a matter of weeks.

As a self-funded employment entity, the District needs to take all necessary steps in order to minimize the potential for unemployment expenses. If an individual is terminated after working during 4 separate working weeks (even if this is less than 30 calendar days), the District could be liable for that employee’s unemployment costs.

A mandatory initial review for both part-time and full-time employees within the first 3 weeks of employment would help ensure that hiring managers closely supervise and evaluate their new employees immediately. While a three week review will not be a comprehensive evaluation of all qualities possessed by the employee, it will, with reasonable certainty, determine if the employee has the potential to grow into a productive member of the HEPD staff.

The following addition to the personnel policy manual under section V: Appointments and the following deletion from the personnel policy manual under section III: Employment Status/Definitions.

The information pertaining to the probationary period was duplicated in the personnel policy manual under Section V: Appointments and Section III: Employment Definitions. This information should be removed from Section III for accuracy and consistency and amended under Section V as follows:

**Review Period: All new full-time and part-time employees of the District will receive a mandatory written review by their immediate supervisor within three (3) weeks or 15 working days (whichever comes first), after the employee is hired. The purpose of this review period is to assess the performance of the employee within his/her new working environment as well as job aptitude. If the immediate supervisor does not feel that the employee has exhibited the skills and abilities necessary to satisfactorily perform the duties and requirements of the position, the employment may be terminated. The review period is included as part of the probationary period.**

**Introductory Probationary Period:** Your ~~appointment~~ **employment** begins with a six-month (6) ~~introductory~~ **probationary** period. Your supervisor will utilize your ~~introductory~~ **probationary** period for your orientation, training, if any, and determining if you demonstrate the aptitude and attitude necessary for you to meet the required standards of the position you have been offered. Your Immediate Supervisor may extend this ~~introductory~~ **probationary** period to a maximum of an additional three (3) months. If you are reassigned or promoted to another position with the District, you may be required to serve ~~an introductory~~ **probationary** period not to exceed six (6) months in your new position.

**Recommendation:**

That the A&F committee recommend to the Board approval of the proposed changes to the District's Personnel Policy Manual.
