

2018 Spring Exhibition

Sunday, May 6th 3:00pm-6:00pm

I hope you were all inspired by the Winter Olympics and realize your dreams can come true! This is your opportunity to be in the spotlight, and show off your talent! You can skate to any piece of music that inspires you. Your music can be a maximum of 1:30. I will need to know your music selection, so we don't have repeats. The cost for a soloist or duet is \$25.00 per skater. We will also be offering a skate school group number. If you are enrolled in the spring session this qualifies you to participate in the number. It will be a combined number, allowing all level of skater's their chance to shine. The cost is \$15.00 per skater. You will be responsible for the costume, which will consist of black stretch/yoga pants and a brightly colored t-shirt. The rehearsals will be held during skate school free practice sessions monday 5:45-6:00 and 6:30-6:45. We are having national and sectional guest skaters, two national pair teams and national/international synchronized teams. This will be a very enjoyable evening, and free admission!
