4. <u>Comments from the Audience:</u>

None

5. <u>Old Business:</u>

None

6. <u>New Business:</u>

A. Purchase of Grinder at Bridges of Poplar Creek / M20-104:

Director Hugen presented the item explaining the grinder, located at Bridges, has suffered a permanent failure and the replacement parts are obsolete. The grinder is used to sharpen cutting units like those of reel mowers and it is imperative that this item replaced.

Director Hugen explained of the quotes obtained, Reinders is offering a Foley Accu-Spin 622 grinder (demo) which is the lowest cost for the best quality. He added since this item was not budgeted for, staff are proposing purchasing a new grinder using the funds from the capital budget contingency.

Comm Rep Utas asked if the demo will have the same warranty as a new one would have and Director Hugen confirmed it will.

Comm Rep Utas made a motion, seconded by Commissioner Kilbridge to recommend the Board approve the purchase of the Foley Accu-Spin 622 grinder from Reinders for a total of \$19,195.00 to be paid for with funds from the capital budget contingency as presented in M20-104. The motion carried by voice vote.

B. <u>Electricity Contract / M20-105:</u>

Director Hopkins reviewed the item noting the District's current fixed electric contract will be expiring December 1, 2020. Staff would like to use this time to seize an excellent opportunity to put a cap on electricity costs to avoid large fluctuations in pricing; this would secure our utility pricing for the future.

Director Hopkins added making this change over our current contract will result in between \$40,000 to \$112,000 in annual savings.

Commissioner McGinn asked for confirmation on the price that was settled on. Director Hopkins explained the fixed rate contract as of today would be \$0.020 per KWh, but it is variable so it would depend on what the rate is on any given day. Regardless of the daily rate, the price will always have a cap that would be \$0.02950 per KWh. She added, for example, if the cost of electricity raises to \$0.03 per KWh or higher, we will not pay more than \$0.02950 per KWh for the duration of the three-year contract.

Comm Rep Utas made a motion, seconded by Commissioner Kilbridge to recommend the Board approve entering into a variable rate contract for electricity for a period of three years based on the best available price for the respective supply as obtained by the quotes obtained by McDonnell Energy consultant with a variable rate cap of \$0.02950 per KWh. The motion carried by voice vote.

C. <u>IMRF Resolution R20-005 / M20-100:</u>

Executive Director Talsma explained IMRF requires that a resolution be passed by the Board so gross wages for all employees is equal to the earnings amount and employees would not be penalized for utilizing pretax deductions for medical related expenses. This will allow for staff to better prepare for retirement as their pension will reflect their gross wages.

President Kaplan asked when this will go into effect and Executive Director Talsma confirmed it will start January 1, 2021.

Comm Rep Utas made a motion, seconded by Comm Rep Kulkarni to recommend the Board approve Resolution R20-005 for gross wages to be included in reportable earnings to IMRF as presented in M20-100. The motion carried by voice vote.

D. <u>Palatine Library Agreement / M20-106:</u>

Director Kapusinski explained the Park District and Palatine Public Library have a three-year lease agreement expiring September 30, 2020. The agreement allows the Library to occupy the lower level of Willow Recreation Center (WRC). The proposed agreement has been revised to include a term of one year to continuously rollover unless 120 day written notice is provided to cancel the agreement prior to October 1. There are no other changes to the agreement.

Comm Rep Utas made a motion, seconded by Comm Rep Kulkarni to recommend the Board approve the Palatine Public Library rental agreement which is effective October 1, 2020 as presented in M20-106. The motion carried by voice vote.

E. <u>Fitness Program Manager Job Description / M20-110:</u>

Executive Director Talsma explained the change in the job title and job description is to shift the focus of the job responsibilities to programming in order to improve member retention.

Executive Director Talsma added that the salary range will not change.

Comm Rep Musial would like to see the job functions of the job description listed in order of importance. It was decided that the priority of the job responsibilities will be discussed during the interview process with candidates.

Commissioner Kilbridge made a motion, seconded by Comm Rep Utas to recommend the Board approve the job title and job descriptions change from Fitness Manager to Fitness Program Manager as presented in M20-110. The motion carried by voice vote.

F. Administration & Finance Report / M20-109:

Director Hopkins noted staff met with McDonnell Energy and Satori Energy to review options for our electric service contract. Staff reviewed information from the US Department of Energy to independently confirm outlook and prepared a recommendation based on the analysis of the best options available. McDonnell Energy provided us with the best option available.

Director Hopkins noted staff met with S&P Global to obtain a rating for the bonds being issued to refund the Series 2010A Bonds as well as to issue the District's annual bond. The District's AA+ rating was confirmed with a stable outlook despite Illinois having a negative outlook.

Director Hopkins noted staff met with several salary and wage benchmarking companies to determine whether pricing and service would provide sufficient benefit to the District to justify the cost. The services required a multi-year contract at \$10,000 or more per year which did not meet our needs. Staff conducted their own in-house salary survey instead requiring a great deal of leg work, but saving the District a significant amount of money.

Comm Rep Utas made a motion, seconded by Comm Rep Kulkarni to send the A&F Report M20-109 to the Board as presented. The motion carried by voice vote.

G. Open and Paid Invoice Register:

Comm Rep Utas asked about the \$3,150 for TC Repairs Damage to Fitzgerald Electrical Contracting. Director Hugen explained there was a power outage two Fridays ago because there was a glycol leak onto one of the pumps in the mechanical room of ice maintenance. This caused the main breaker of the facility to trip and since staff were unable to find the route of the problem, an Emergency Service was called in. The route of the problem was that a tank was not tightened appropriately by the Minnesota Ice contractor. Staff is currently working with Minnesota Ice on covering the expense.

Comm Rep Utas made a motion, seconded by Commissioner Kilbridge to recommend the Board approve the Open and Paid Invoice Register in the amount of \$881,153.28 as presented. The motion carried by voice vote.

H. <u>Revenue and Expenditure Report and COVID-19 Impact Statement:</u>

Director Hopkins noted since golf is doing so well, admissions has been able to pick up the majority of the revenue lost during the shutdown. The biggest impact is still memberships, programs & instruction, and sales. Expenses are also down

with wages and expenses directly related to the services seeing the greatest impacts. We anticipate only being below operational budget by \$300,000 to \$500,000 despite being \$3 million down in revenue thanks to some of the cost savings measures we set in place.

President Kaplan noted that reports based on five-year averages will be skewed based on this year. Director Hopkins explained this year in its entirety will not be included; she added she will conduct a custom analysis for future years that rely on this year for data.

Comm Rep Utas made a motion, seconded by Comm Rep Kulkarni to recommend the Board approve the Revenue and Expenditure Report and the COVID-19 Impact Statement as presented. The motion carried by voice vote.

7. <u>Committee Member Comments:</u>

Comm Rep Kulkarni thanked Director Hopkins for the COVID-19 statement and noted it is well done.

Comm Rep Utas congratulated Director Hopkins on the AA+ Bond rating. He also thanked the Division Directors and staff for their efforts.

Comm Rep Musial is excited for South Ridge project to finish.

Commissioner Kilbridge commended Director Hopkins and staff.

Chairman McGinn noted the COVID-19 Impact Statement is extremely helpful and congratulated Director Hopkins on the AA+ Bond rating.

8. <u>Adjournment:</u>

Comm Rep Utas made a motion, seconded by Commissioner Kilbridge to adjourn the meeting at 7:58 p.m. The motion carried by voice vote.

Respectfully submitted,

MEMORANDUM NO. M20-111

| TO: | A&F Committee |
|-------|--|
| FROM: | Craig Talsma, Executive Director |
| | Nicole Hopkins, Director of Finance and Administration |
| RE: | First Amendment Activities Policy |
| DATE: | October 27, 2020 |

Background

Due to the current political and social climate, it has become increasingly necessary to address the potential for gatherings or signage related to the First Amendment of the United States Constitution as it relates to Freedom of Speech. There are also Illinois statutes that relate to Union activities that also need to be accommodated. In order to ensure that these activities do not impact our residents and participants enjoyment of the amenities we offer, it is important to set forth guidelines for these activities.

Implications

It is important to designate a location that is clearly visible to meet the purpose of the group while not obstructing visitor's ability to enter or leave and does not impact traffic on roadways or in surrounding neighborhoods.

The District also needs to ensure that other scheduled activities are not impeded due to gatherings that will cause disruptions to the enjoyment of others. We also need to ensure that there is accountability for any damages that may incur as the result of areas being used beyond their intended purpose.

By establishing criteria by which these activities can take place and under what circumstances they may be denied, the District sets forth fair and equitable rules and processes to enable a clear decision making process.

Recommendation

Staff recommends the A&F Committee recommend to the Board the approval of the First Amendment Activities Policy.

#.#.##.# FIRST AMENDMENT ACTIVITIES

This policy is intended to address the criteria for engaging in activities protected by the First Amendment of the United States Constitution and Public Right of Way protections of the Illinois Compiled Statutes while on property owned or controlled by the Hoffman Estates Park District.

At each Park District facility, an area will be designated for first amendment activities along with parking spaces that should be used. Activities are prohibited from blocking access to the facility by patrons or staff. Groups comprised of greater than 25 people require a permit.

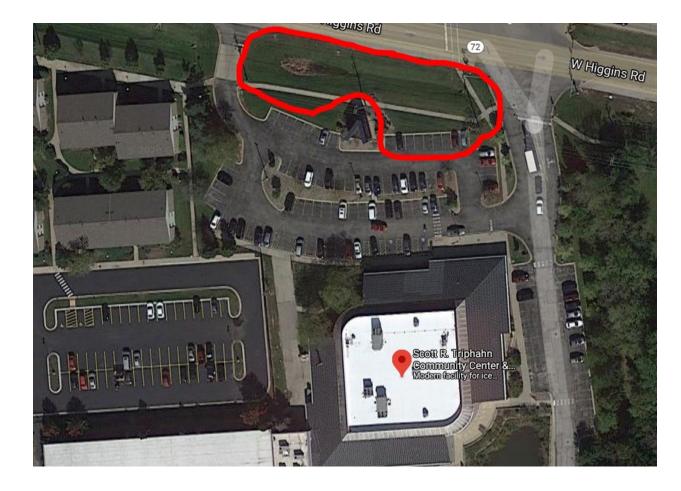

Parks throughout the District are intended for specific use that may conflict with gathering or free speech activities. These areas require a permit regardless of size to ensure that adequate parking is available and to ensure the first amendment activities do not prohibit the use of the location for its intended purpose. The District may deny an application for permit on any of the following grounds:

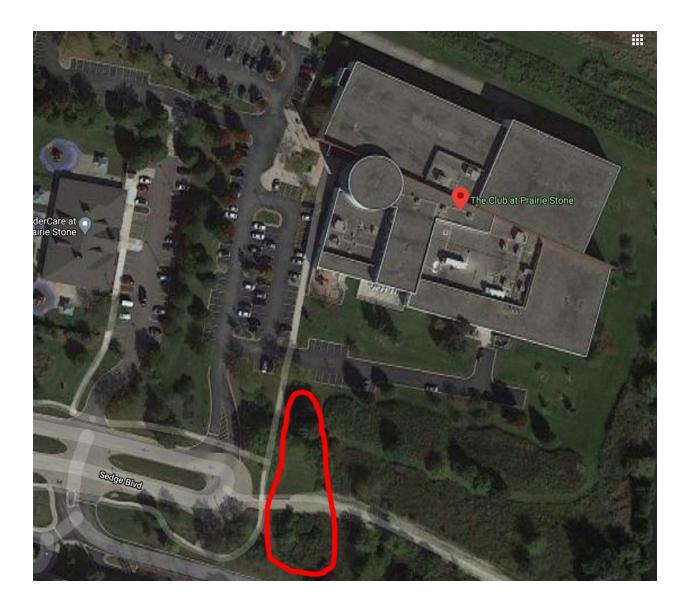

- the application for permit is not fully completed and executed;
- the applicant has not timely tendered the applicable application, indemnification and reimbursement agreement, or security deposit;
- the application for permit contains a material falsehood or misrepresentation;
- the applicant is legally incompetent to contract or to sue and be sued;
- the applicant or the person on whose behalf the application for permit was made has on prior occasions damaged District property and has not paid in full for such damage, or has other outstanding and unpaid debts to the District;
- a fully executed prior application for permit for the same time and place has been received, and a permit has been or will be granted to a prior applicant authorizing uses or activities which do not reasonably permit multiple occupancy of the park or part thereof;
- the use or activity intended by the applicant would conflict with previously planned programs organized and conducted by the District and previously scheduled for the same time and place;
- the proposed use or activity is prohibited by or inconsistent with the recognized and accepted uses of the park or part thereof;
- the use or activity intended by the applicant would present an unreasonable danger to the health or safety of the applicant, or other users of the park, of District employees or of the public, despite reasonable accommodations designed to mitigate such risks;

- the applicant has not complied or cannot comply with applicable licensure requirements, policies or regulations concerning the sale or offering for sale any food, goods or services;
- the use or activity intended by the applicant is prohibited by law, by the policies or policies of the District, or by the regulations of the District staff;
- the applicant has not secured the requisite insurance; or
- the applicant or the person whose behalf the application for permit was made has on prior occasions made material misrepresentations regarding the nature or scope of the event or activity previously permitted or has violated the terms of prior permits issued to the applicant.

No application for permit shall be granted unless accompanied by the deposit of a sum of money equal to the estimated cost of policing, cleaning up and restoring the location upon conclusion of the use or activity. If it is determined by inspection that damage to District property is in excess of normal wear and tear and which requires repairs in excess of routine maintenance, the District will retain the security deposit or any portion thereof necessary to pay for the cost of repair. District staff shall give written notice of assessment of damages and retention of the security deposit by personal delivery or by deposit in the United States mail, with proper postage prepaid to the name and address set forth on the application for permit.

No person or organization shall circulate or distribute in any indoor District property or cause them to be attached to vehicles and equipment parked on District property any leaflets, handbills, notices, pamphlets, books, documents or papers of any kind.

MEMORANDUM M20-123

| TO: | A&F Committee |
|-------|---|
| FROM: | Craig Talsma, Executive Director |
| RE: | Billboard Resolutions and Agreements |
| DATE: | October 27, 2020 |

Background:

In 2008, the Park District entered into a sign lease agreement with Tollway, LLC, for four signs located on certain property in Hoffman Estates. Of the four signs, Northwest Sign, LLC, acquired three of the signs through sublease agreements. Since then, the land has been foreclosed upon resulting in the extinguishment of each of the subleases.

T2 Expressway, LLC (T2), is the successor to the interests of Tollway under the original lease agreement. The Park District has agreed to extend the term of the original lease with T2. The expiration date of the lease term is extended from August 31, 2022 to September 1, 2042 for all purposes.

Implications:

Attached are the following resolutions:

- 1) Resolution to Approve First Amendment to Sign Lease Agreement; and
- 2) Resolution to Approve Sign Sublease Agreements and Assignments of Rents.

These resolutions act to approve the agreements and delegate authority to sign and perform the agreements.

Also attached are the following agreements:

1) First Amendment to Sign Lease Agreement: this substitutes the landlord and extends the billboard lease to the expiration of the Special Use in 2042.

2) Sign Sublease Agreement – Sign #2: this is the terminable/revocable sublease for the sign which is adjacent to the Park District's sign.

3) Sign Sublease Agreements – Sign #3 and Sign #4: these are the irrevocable subleases for the remaining 2 signs (the western most signs).

Recommendation:

Staff recommends the A&F Committee recommend to the Board the approval of the following resolutions: Resolution to Approve First Amendment to Sign Lease Agreement; and the Resolution to Approve Sign Sublease Agreements and Assignments of Rents.

(a) The Park District is the lessee of the Sign pursuant to that certain Sign Lease Agreement dated May 28, 2008 between Tollway, LLC, as lessor (the "**Original Landlord**"), and the Park District, as lessee, as amended by that certain First Amendment to Sign Lease Agreement of even date herewith between T2 Expressway, LLC, successor-in-interest to Original Landlord (the "**Primary Landlord**"), and the Park District (as so amended, the "**Primary Lease**"). The Primary Landlord succeeded to the interest of Original Landlord under the Primary Lease by virtue of the foreclosure by Primary Landlord of a certain first priority mortgage made by Original Landlord in favor of Primary Landlord, which mortgage was foreclosed upon by Primary Landlord in the Circuit Court of Cook County, Illinois (Case No. 17-CH-14978) pursuant to, among other things, a certain Judgment of Foreclosure and Sale entered in favor of T2 on June 7, 2019 (collectively, the "**Foreclosure**");

(b) As a result of the Foreclosure, among other things: (i) the Subject Property and all of the rights and interests of Original Landlord therein were transferred to Primary Landlord via Sheriff's Deed on September 20, 2019 (the "**Deed Date**"), (ii) Primary Landlord succeeded to the interests of Original Landlord under the Primary Lease and (iii) any and all prior subleases of and to the Subject Property and all rights and interests therein were forever extinguished (including, without limitation, any and all sign sublease agreements between Park District and Northwest Sign LLC) (collectively, "**Prior Subleases**"). All capitalized terms used herein that are not defined herein but are defined in the Primary Lease shall have the meanings ascribed to them in the Primary Lease.

(c) Pursuant to that certain Ordinance No. 4632-2018 passed and approved by the Board of Trustees of the Village of Hoffman Estates at a meeting duly and properly held on February 5, 2018 (the (the "**Ordinance**"), the Village of Hoffman Estates granted an extension of the variation and special use allowing the installation, maintenance, replacement and use of each of the Signs described in the Primary Lease, subject to certain conditions set forth in the Ordinance (the "**Conditions**").

2. (a) In order to replace the Subleases which were terminated and extinguished by the Foreclosure, the Park District hereby subleases the Sign to the Sublessee. The term of the sublease shall commence on the Commencement Date.

(b) The rent provided for herein is (i) the Annual Rent; and (ii) the Property Tax Payment attributable to the Sign under the Primary Lease. The Annual Rent shall be payable in equal consecutive monthly installments, in advance, beginning on the Commencement Date and continuing on the first day of each month thereafter for the full term of this Agreement, at the office of Park District. On January 1 of each year (a "**Rent Adjustment Date**"), the Annual Rent shall be adjusted in an amount equal to two (2) times the percentage increase, if any, in the Consumer

Price Index-All Urban Consumers, Chicago Area, as published by the U.S. Department of Labor, Bureau of Labor Statistics ("**CPI**"), between the previous January 1 and the latest month for which CPI data is available as of the Rent Adjustment Date.

(c) The Park District and the Sublessee shall immediately execute the Assignment attached hereto as **Exhibit C**, it being made an express condition of this Sublease that it shall not become enforceable until such time when the Assignment has been lawfully executed by the Park District, Sublessee and the Primary Landlord. The Assignment may be executed in separate counterparts, each of which when taken together shall be deemed an original, complete document.

3. Sublessee shall be solely responsible, at its sole cost, for all work and expenses necessary to operate and maintain the Sign, including without limitation necessary inspections, cleaning, painting, illuminating, re-lamping, repairing, replacing and adjusting defective parts, applying and re-applying Sign facing, and any other work or expense necessary to satisfy the Conditions relating to the maintenance of the Signs (collectively, the "**Sign Expenses**"). If Park District incurs any costs that are obliged to be paid by the Sublessee pursuant to this Section, it shall send a bill for such costs to the Sublessee and the Sublessee shall remit the full amount thereof to Park District within thirty (30) days of billing. The provisions of this Section 3 represent Sublessee's agreement to assume the Park District's duties under the terms and conditions of Section 6 of the Primary Lease with respect to the Sign.

4. For the benefit of the Primary Landlord, the Sublessee shall, at its expense, provide and keep in force, comprehensive general liability insurance, structural work act insurance, and workers compensation insurance with respect to the Sign, with minimum limits of liability of \$1,000,000.00 per occurrence and \$2,000,000.00 aggregate for bodily injury and property damage. Such policies shall name Primary Landlord as an additional insured, shall be in a form and shall be issued by companies satisfactory to Primary Landlord, and shall provide for at least thirty (30) days' notice to Primary Landlord prior to cancellation. Such policies or certificates evidencing them shall be provided to Primary Landlord prior to the Sublessee, its employees, subcontractors, or agents performing any work provided for herein or entering upon the Subject Property. For the benefit of Primary Landlord, on every even-numbered anniversary of the Commencement Date (an "Insurance Adjustment Date"), the Sublessee shall increase the minimum limits of insurance in an amount equal to the percentage increase, if any, in the CPI between the previous even-numbered anniversary (or the Commencement Date, as the case may be) and the latest month for which CPI data is available as of the Insurance Adjustment Date. The provisions of this Section 4 represent Sublessee's agreement to assume the Park District's duties under the terms and conditions of Section 8 of the Primary Lease.

5. A Party shall be not liable for any loss or damage to the other Party occasioned by the occurrence of any event beyond the reasonable control of the first Party, including, but not limited to, strikes, embargoes, governmental regulations, acts of God, unavailability of necessary materials, statutory amendments or any other event, cause or circumstance of like nature.

6. Park District makes no warranties whatsoever hereunder, and in particular, Park District makes no express or implied warranties as to the condition, merchantability or fitness of the Sign for any particular purpose.

7. Sublessee may further sublease the faces of the Sign to subtenants who desire to place their advertisement, copy, logo, or announcement on the Sign during the term of this Agreement. A sublease of the Sign shall not relieve the Sublessee of any of its obligations hereunder.

8. The Park District specifically retains the right to cancel this sublease, without penalty or recourse, upon written notice to Sublessee of not less than one (1) year or, if less than one (1) year remains in the term of this sublease, one half of the term remaining in the sublease, but in any event not less than ninety (90) days.

9. On the Commencement Date, the Park District shall deliver possession of the Signs to the Sublessee. Provided that the Sublessee performs all its obligations under this Agreement, the Park District covenants and agrees the Sublessee shall peaceably and quietly hold and enjoy the Sign and the rights and privileges granted in this Agreement for the term demised without hindrance or interference by Park District or anyone who may make claims through the Park District. This Agreement is and shall be subject and subordinate to all ground or underlying leases, mortgages or other security instruments, and easements which now or hereafter affect the Signs, the Subject Property, or any ground or underlying leases thereof (collectively, "**Superior Instruments**") and to all renewals, modifications, consolidations, replacements and extensions thereof. The provisions of this section shall be automatic and shall not require any further action. In confirmation of such subordination, the Sublessee will execute and deliver upon demand of the Park District such commercially reasonable instruments desired by the Park District subordinating this Agreement to such Superior Instruments; provided, however, that any such Superior Instrument shall include a non-disturbance and attornment agreement, in the standard form of the holder of the Superior Instrument, which will provide that, so long as the Sublessee is not in default under any of its obligations under this Agreement, the Sublessee's quiet enjoyment of the Sign pursuant to the terms and conditions of this Agreement shall not be disturbed by the holder of the Superior Instrument. The Park District shall not execute any Superior Instrument, or renewal, modification, consolidation, replacement or extension thereof, that affects the Sign or the Subject Property unless the Park District first obtains for the benefit of the Sublessee such a non-disturbance and attornment agreement. In confirmation of the subordination that has been effected by this Section, such non-disturbance and attornment agreement may contain terms that provide for the subordination of this Agreement.

10. The Sublessee agrees to strictly defend, indemnify, and save Park District harmless from any and all loss, liability, claims, and demands arising out of Sublessee's acts or omissions related to (i) the maintenance of the Signs; (ii) the character, contents, or subject matter of any matter displayed on the Signs; or (iii) any alleged or actual breach or condition of default under the Primary Lease of any obligation assumed by the Sublessee hereunder.

11. In the event that Primary Landlord provides notice to Park District that Park District has failed to perform any obligation assumed by the Sublessee hereunder, Sublessee shall abate or remedy such failure on behalf of Park District within thirty (30) days after written notice thereof to the Sublessee by the Park District. The Primary Landlord may seek any remedy for any such failure directly against Sublessee.

12. All remedies of Sublessee and Park District hereunder are cumulative and may be exercised concurrently or separately.

13. This Agreement shall be interpreted in accordance with and governed by the laws of the State of Illinois, and, at the election of Sublessee, any legal proceedings brought hereunder shall be in the Circuit Court of Cook County, Illinois, or the United States District Court for the Northern District of Illinois, and the Park District consents to such venue.

14. If any provision of this Agreement is held invalid, the validity of other provisions hereof shall not be affected thereby.

15. If either Party waives a breach of provision by the other, that waiver shall not constitute waiver of further compliance with that provision or of any other right under this Agreement.

16. A resolution of the Park District authorizing it to enter into this Agreement is attached hereto as **Exhibit D**.

This Agreement is dated and effective as of , 2020 ("Effective Date").

| LOCATION: | The "Sign" (which is generally depicted on Exhibit A attached hereto) which is located on the property legally described and generally depicted on Exhibit B attached hereto (the "Subject Property"). |
|--------------------|--|
| APPROXIMATE SIZE: | Per "Approved Plans" (which is defined in the "Primary Lease"). |
| COMMENCEMENT DATE: | As of September 20, 2020. |
| ANNUAL RENT: | Defined in "Primary Lease" (which is defined in Section 1). |
| LEASE TERM: | From the Commencement Date through September 1, 2042. |

1. The Parties agree to and acknowledge the following facts:

(a) The Park District is the lessee of the Sign pursuant to that certain Sign Lease Agreement dated May 28, 2008 between Tollway, LLC, as lessor (the "**Original Landlord**"), and the Park District, as lessee, as amended by that certain First Amendment to Sign Lease Agreement of even date herewith between T2 Expressway, LLC, successor-in-interest to Original Landlord (the "**Primary Landlord**"), and the Park District (as so amended, the "**Primary Lease**"). The Primary Landlord succeeded to the interest of Original Landlord under the Primary Lease by virtue of the foreclosure by Primary Landlord of a certain first priority mortgage made by Original Landlord in favor of Primary Landlord, which mortgage was foreclosed upon by Primary Landlord in the Circuit Court of Cook County, Illinois (Case No. 17-CH-14978) pursuant to, among other things, a certain Judgment of Foreclosure and Sale entered in favor of T2 on June 7, 2019 (collectively, the "**Foreclosure**");

(b) As a result of the Foreclosure, among other things: (i) the Subject Property and all of the rights and interests of Original Landlord therein were transferred to Primary Landlord via Sheriff's Deed on September 20, 2019 (the "**Deed Date**"), (ii) Primary Landlord succeeded to the interests of Original Landlord under the Primary Lease and (iii) any and all prior subleases of and to the Subject Property and all rights and interests therein were forever extinguished (including, without limitation, any and all sign sublease agreements between Park District and Northwest Sign LLC) (collectively, "**Prior Subleases**"). All capitalized terms used herein that are not defined herein but are defined in the Primary Lease shall have the meanings ascribed to them in the Primary Lease.

(c) Pursuant to that certain Ordinance No. 4632-2018 passed and approved by the Board of Trustees of the Village of Hoffman Estates at a meeting duly and properly held on February 5, 2018 (the (the "**Ordinance**"), the Village of Hoffman Estates granted an extension of the variation and special use allowing the installation, maintenance, replacement and use of each of the Signs described in the Primary Lease, subject to certain conditions set forth in the Ordinance (the "**Conditions**").

2. (a) In order to replace the Subleases which were terminated and extinguished by the Foreclosure, the Park District hereby subleases the Sign to the Sublessee. The term of the sublease shall commence on the Commencement Date.

(b) The rent provided for herein is (i) the Annual Rent; and (ii) the Property Tax Payment attributable to the Sign under the Primary Lease. The Annual Rent shall be payable in equal consecutive monthly installments, in advance, beginning on the Commencement Date and continuing on the first day of each month thereafter for the full term of this Agreement, at the office of Park District. On January 1 of each year (a "**Rent Adjustment Date**"), the Annual Rent shall be adjusted in an amount equal to two (2) times the percentage increase, if any, in the Consumer

Price Index-All Urban Consumers, Chicago Area, as published by the U.S. Department of Labor, Bureau of Labor Statistics ("**CPI**"), between the previous January 1 and the latest month for which CPI data is available as of the Rent Adjustment Date.

(c) The Park District and the Sublessee shall immediately execute the Assignment attached hereto as **Exhibit C**, it being made an express condition of this Sublease that it shall not become enforceable until such time when the Assignment has been lawfully executed by the Park District, Sublessee and the Primary Landlord. The Assignment may be executed in separate counterparts, each of which when taken together shall be deemed an original, complete document.

3. Sublessee shall be solely responsible, at its sole cost, for all work and expenses necessary to operate and maintain the Sign, including without limitation necessary inspections, cleaning, painting, illuminating, re-lamping, repairing, replacing and adjusting defective parts, applying and re-applying Sign facing, and any other work or expense necessary to satisfy the Conditions relating to the maintenance of the Signs (collectively, the "**Sign Expenses**"). If Park District incurs any costs that are obliged to be paid by the Sublessee pursuant to this Section, it shall send a bill for such costs to the Sublessee and the Sublessee shall remit the full amount thereof to Park District within thirty (30) days of billing. The provisions of this Section 3 represent Sublessee's agreement to assume the Park District's duties under the terms and conditions of Section 6 of the Primary Lease with respect to the Sign.

4. For the benefit of the Primary Landlord, the Sublessee shall, at its expense, provide and keep in force, comprehensive general liability insurance, structural work act insurance, and workers compensation insurance with respect to the Sign, with minimum limits of liability of \$1,000,000.00 per occurrence and \$2,000,000.00 aggregate for bodily injury and property damage. Such policies shall name Primary Landlord as an additional insured, shall be in a form and shall be issued by companies satisfactory to Primary Landlord, and shall provide for at least thirty (30) days' notice to Primary Landlord prior to cancellation. Such policies or certificates evidencing them shall be provided to Primary Landlord prior to the Sublessee, its employees, subcontractors, or agents performing any work provided for herein or entering upon the Subject Property. For the benefit of Primary Landlord, on every even-numbered anniversary of the Commencement Date (an "Insurance Adjustment Date"), the Sublessee shall increase the minimum limits of insurance in an amount equal to the percentage increase, if any, in the CPI between the previous even-numbered anniversary (or the Commencement Date, as the case may be) and the latest month for which CPI data is available as of the Insurance Adjustment Date. The provisions of this Section 4 represent Sublessee's agreement to assume the Park District's duties under the terms and conditions of Section 8 of the Primary Lease.

5. A Party shall be not liable for any loss or damage to the other Party occasioned by the occurrence of any event beyond the reasonable control of the first Party, including, but not limited to, strikes, embargoes, governmental regulations, acts of God, unavailability of necessary materials, statutory amendments or any other event, cause or circumstance of like nature.

6. Park District makes no warranties whatsoever hereunder, and in particular, Park District makes no express or implied warranties as to the condition, merchantability or fitness of the Sign for any particular purpose.

7. Sublessee may further sublease the faces of the Sign to subtenants who desire to place their advertisement, copy, logo, or announcement on the Sign during the term of this Agreement. A sublease of the Sign shall not relieve the Sublessee of any of its obligations hereunder.

8. Intentionally Omitted.

9. On the Commencement Date, the Park District shall deliver possession of the Signs to the Sublessee. Provided that the Sublessee performs all its obligations under this Agreement, the Park District covenants and agrees the Sublessee shall peaceably and quietly hold and enjoy the Sign and the rights and privileges granted in this Agreement for the term demised without hindrance or interference by Park District or anyone who may make claims through the Park District. This Agreement is and shall be subject and subordinate to all ground or underlying leases, mortgages or other security instruments, and easements which now or hereafter affect the Signs, the Subject Property, or any ground or underlying leases thereof (collectively, "Superior Instruments") and to all renewals, modifications, consolidations, replacements and extensions thereof. The provisions of this section shall be automatic and shall not require any further action. In confirmation of such subordination, the Sublessee will execute and deliver upon demand

of the Park District such commercially reasonable instruments desired by the Park District subordinating this Agreement to such Superior Instruments; provided, however, that any such Superior Instrument shall include a nondisturbance and attornment agreement, in the standard form of the holder of the Superior Instrument, which will provide that, so long as the Sublessee is not in default under any of its obligations under this Agreement, the Sublessee's quiet enjoyment of the Sign pursuant to the terms and conditions of this Agreement shall not be disturbed by the holder of the Superior Instrument. The Park District shall not execute any Superior Instrument, or renewal, modification, consolidation, replacement or extension thereof, that affects the Sign or the Subject Property unless the Park District first obtains for the benefit of the Sublessee such a non-disturbance and attornment agreement. In confirmation of the subordination that has been effected by this Section, such non-disturbance and attornment agreement may contain terms that provide for the subordination of this Agreement.

10. The Sublessee agrees to strictly defend, indemnify, and save Park District harmless from any and all loss, liability, claims, and demands arising out of Sublessee's acts or omissions related to (i) the maintenance of the Signs; (ii) the character, contents, or subject matter of any matter displayed on the Signs; or (iii) any alleged or actual breach or condition of default under the Primary Lease of any obligation assumed by the Sublessee hereunder.

11. In the event that Primary Landlord provides notice to Park District that Park District has failed to perform any obligation assumed by the Sublessee hereunder, Sublessee shall abate or remedy such failure on behalf of Park District within thirty (30) days after written notice thereof to the Sublessee by the Park District. The Primary Landlord may seek any remedy for any such failure directly against Sublessee.

12. All remedies of Sublessee and Park District hereunder are cumulative and may be exercised concurrently or separately.

13. This Agreement shall be interpreted in accordance with and governed by the laws of the State of Illinois, and, at the election of Sublessee, any legal proceedings brought hereunder shall be in the Circuit Court of Cook County, Illinois, or the United States District Court for the Northern District of Illinois, and the Park District consents to such venue.

14. If any provision of this Agreement is held invalid, the validity of other provisions hereof shall not be affected thereby.

15. If either Party waives a breach of provision by the other, that waiver shall not constitute waiver of further compliance with that provision or of any other right under this Agreement.

16. A resolution of the Park District authorizing it to enter into this Agreement is attached hereto as **Exhibit D**.

This Agreement is dated and effective as of , 2020 ("Effective Date").

| RE: | Pay Grade, Job Descriptions, Health Insurance Contribution, and 2021 Wage Increase |
| DATE: | October 27, 2020 |

Background

Pay Ranges

The District set a 2020 Goal Objective to "ensure employee wages are competitive and aligned with value" as compensation should periodically be compared to the market to ensure we can attract and retain high quality employees. After determining that utilizing an outside firm for a compensation survey was going to be cost prohibitive and firms that provided services for wage research would cost \$10,000 annually for a minimum three years, we explored other sources of the information.

The United States Bureau of Labor Statistics (BLS) collects information annually and has a way to link to the data directly (Schedule A) in order to summarize over 500,000 entries. The Illinois Department of Labor provided information on the salary differentials between different areas of Illinois.

To further the study, we needed to take the descriptions used by the BLS and match them to the jobs performed by District staff (Schedule B). For positions that did not directly correlate, we also polled area Park Districts and researched using job sites such as Indeed, Monster and ZipRecruiter. Now that this has been set up, analysis on a regular basis will be far more efficient.

Using the data accumulated, grades were created using mid-point annual compensation that were similar among positions (Schedule C). After conversations with the Directors, some positions were manually reclassified based on changes to job responsibilities due to staffing reductions. Additionally, skills that are not widely used in the private sector were reviewed for equity and adjustments made where appropriate.

After this analysis was completed, the current annual wages were compared to the minimum and maximum for the established grades (Schedule D yellow is below minimum and blue is above maximum). Job titles and descriptions were reviewed and updated as a result of this analysis. All of our job descriptions have been updated to reflect any additional responsibilities due to Covid-19 layoffs.

Currently through the end of this year it is expected we will have 65 full-time positions with two more hires scheduled for next year. This is still over a 10% reduction in our full-time work force of the 75 positions included in the 2020 budget.

<u>Insurance</u>

As part of the overall compensation we also evaluated other benefits as the salaries presented are part of an overall compensation package. In general, government positions pay less than comparable private sector positions and benefits are used as incentive to attract employees. The benefit of IMRF is an additional benefit above most private employers. Days off or PTO was basically comparable and insurance coverage in line as well. One difference was employees paying a portion of this. However this is standard in park districts so we compared our benefit with other districts.

The private sector averages 20% for employee coverage and 33% for additional family members (<u>https://www.bls.gov/ncs/ebs/benefits/2020/employee-benefits-in-the-united-states-march-2020.pdf</u>). We compared the District's contribution rates to a study completed by PDRMA with 71 agencies responding as well as a survey conducted internally on surrounding Districts. Our District was the very highest in overall charges to our employees. One reason is we have perpetually raised the amounts instead of just setting a percentage. In the past, numerous scenarios were reviewed in order to find a balance between increased cost to the District and an equitable reduction to premiums for all staff. Our District also pays individuals that opt for other coverage versus our plan \$25 per paycheck.

The amount an employee pays does not affect their wages or salary, but does impact take home pay and this can be a deciding factor in working at a District. To note, we offered a Program Manager position to a candidate that was declined in order to accept a position at Mount Prospect. The difference in employee health insurance costs was cited as the reason. The most comparable districts are summarized below and it is clear our District charges employees considerably more.

2021 Wage Increase

In order to be able to budget for 2021 wages, we completed research on the plans among Park Districts as well as in the private sector regarding increases. Although a majority of the public sector are planning near normal increases for both 2020 and 2021, In regards specifically to Park District's, approximately 40% of the respondents will be doing an increase and 10% will not with 50% undecided.

| Research Firm | 2020 Increase Amt | 2021 Increase Amt | 2021 Increases Planned |
|------------------------------|-------------------------|-------------------------|------------------------------|
| Willis Towers Watson Survey | 2.6% | 2.8% | 93.0% |
| World at Work | 2.9% | 2.9% | |
| Salary.com | 3.0% | 3.0% | |
| EMPSIGHT | 3.0% | 2.9% | |
| USBureau of Labor Statistics | 2.9% | 1. | |
| Park District Survey | | | 38.6% |

1. The USBLS does not provide estimates.

2. 50% are still undecided.

Implications

<u>Pay Ranges</u>

Establishing a grade system will allow job descriptions to be assigned a grade versus an individual wage range. This will eliminate the need to manually adjust every job description wage range on yearly basis due to inflation or market changes. Ensuring that we are able to offer competitive pay and benefits, along with culture, are key factors to employee retention, productivity and job satisfaction.

The new ranges will also allow for an objective approach for determining pay rate. Using factors such as skill, education, and problem solving ability to make compensation decisions contributes to equitable pay practices throughout the District. This is an important piece in ensuring that employees are afforded the same income opportunities.

Most employees are within the newly established ranges. There were, however, six positions highlighted in yellow on Schedule D that were below the minimum. There were also seven positions that due to experience needed to be adjusted closer to the new mid-point. Additionally, three positions highlighted in blue on Schedule D were at or above the maximum pay rate of the range and will not receive future increase unless the annual range adjustment catches up. In total 11 positions needed an upward adjustment of 5% and another two were adjusted by 10%. Total adjustments were approximately \$40,000, and we are still ten full time staff below 2020 budgeted numbers.

Insurance

| | | | Employee and | Employee and | |
|----------------|---------------|----------------|--------------|----------------|----------|
| | Employee Only | Employee and | Children | Spouse/Partner | Family |
| Park District | Coverage | Child Coverage | Coverage | Coverage | Coverage |
| Proposed Rates | 10% | 15% | 15% | 15% | 20% |

In order to balance current economic conditions with the objective of ensuring the District remains competitive with our counterparts, the recommended rate changes will result an approximate 2% increase to individuals take home pay (higher for low wage earners and less for high wage earners). Additionally we would increase the opt-out coverage per paycheck to \$50 instead of \$25.

This more analytical approach versus the prior year's approach of balancing between categories now establishes a set amount that keeps us within a fixed percentage. These rates also align us a little closer to other comparable park districts. Although this still puts the District among our higher neighbors, it will not be as significant a difference as our current rates.

<u>2021 Wage Increase</u>

Though it appears the majority of business and park districts will be offering a salary/wage increase in 2021 District staff does not recommend one for the 2021 budget. However, due to the increase in minimum wage by \$1 next year which could have an effect on our Grade 1 & 2 positions we would like the Board to consider a 2% adjustment pool for just these two lower grades which contain hourly workers. This total pool amount would be approximately \$15,000 and just for those grades. It is worth noting that the impact of setting the new insurance contribution will slightly increase take home pay as well, though not be a wage increase.

Recommendation

Staff recommends the A&F Committee recommend to the Board approval of:

- 1) The proposed pay grades, new job descriptions & employee health insurance contribution rates.
- 2) To budget a 2% wage increase for the 2021 budget for the hourly workers in Grades 1 & 2.

Financial Analysis as of September 30th, 2020

Facility closures began in mid-March with many facilities unable to resume limited full services until June 26. Due to the current guidelines, many areas are still operating at a limited capacity until Phase 5 of the reopening plan when normal operations can resume. It is not anticipated that Phase 5 will occur until sometime next year.

The analysis was completed using the preliminary projections.

General Fund

Administration

The projected net revenue for the administration department is above budget by \$309,355.

Revenue is projected to be close to the budgeted amount at the end of the fiscal year.

Expenses are expected to be \$303,000 less than budgeted. Staffing reductions will result in almost \$170,000 in savings. There was also \$88,000 in savings for

insurance. We received a rebate due to the closure early in the year and unemployment costs will be covered for the final three quarters of 2020 through state and federal funding. Additional expenses for employee training and smaller projects were cut as part of mitigation efforts.

Maintenance

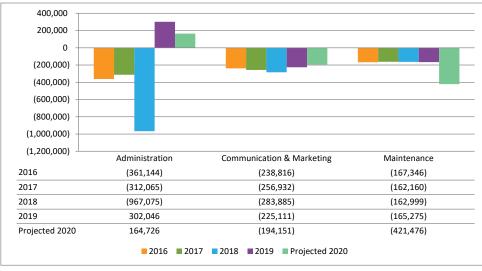

The net expense for the maintenance department is projected to be \$387,377 better than budgeted. Wages are \$276,729 less than prior year due to delays in hiring seasonal employees and delays in filling vacant positions. Savings were also implemented in fuel, park amenities, and green initiatives.

Fund Summary

The General Fund's net revenue is projected to be \$752,162 greater than the budgeted net revenue, excluding capital net revenue is \$696,732 greater than prior year.

Recreation Fund

Administration

The projected net revenue for the administration department is greater than the budget by \$444,316.

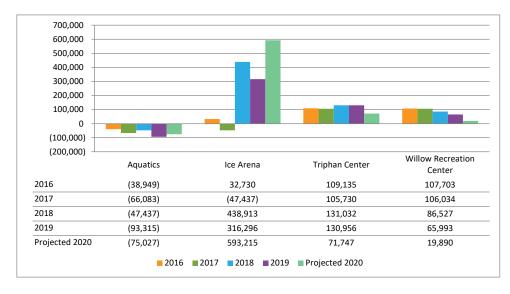

Staffing reductions will result in almost \$272,000 in savings. With an additional \$55,000 in Health Insurance and \$10,000 in Professional Education. Utilities due to the closures are projected to result in a \$60,000 reduction in costs and credit card processing fees are expected to be \$34,000 less than budget.

Communication & Marketing

Communication & Marketing projected expenses are less than budget by \$159,000. Marquee and Sponsorship revenue are projected to be below budget by \$72,000. With many companies struggling, advertising budgets are being cut. Special Events were cancelled this year resulting in little opportunity for sponsorships. Staffing reductions and furloughs will result in \$74,000 in savings. Moving to a digital only brochure will save \$77,000 from budget. An additional \$71,000 will be saved in advertising with the reduced programming.

Maintenance

Maintenance projected expenses are \$95,500 less than budgeted. Part-time wages are projected to be \$63,000 less than budget and health insurance is projected to be \$23,000 less than budget.

Aquatics

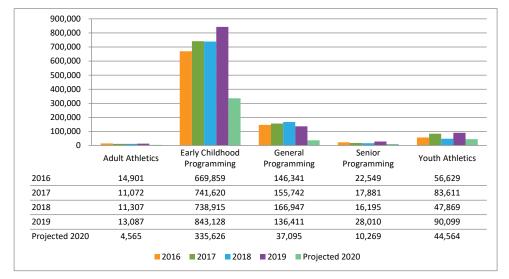

Aquatics net revenue is projected to be \$50,000 less than budgeted due to the closure of the pool.

Ice Arena

Net Revenue for the Ice Arena is projected to be below budget by \$120,000. The following revenue is below budget due to the mandatory closure and subsequent capacity reductions:

| Lessons | \$22,000 |
|-------------|-----------|
| Hockey Camp | \$19,000 |
| Leagues | \$115,000 |

The budget anticipated that the Chicago Wolves would not be renewing their contract. The agreement reached will result in \$88,000 in revenue helping to offset the \$74,000 lost from other rentals.

Early Childhood Programming

Net Revenue for Early Childhood is projected to be below budget by \$688,000. STAR net revenue is below budget by \$343,000, early childhood is below by \$25,000, camps are below by \$167,000, and preschool is below by \$84,000. The closure of facilities in mid-March and continued partial school closures has resulted in the reduction in revenue.

Youth Athletics

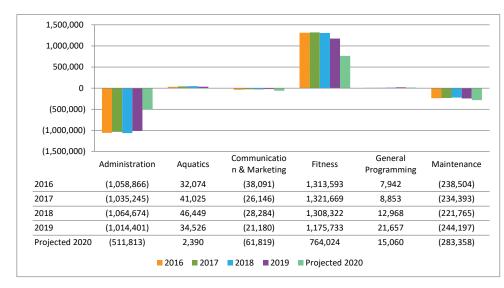

Youth Athletics is projected to be below budget by \$33,000.

Fund Summary

The Club

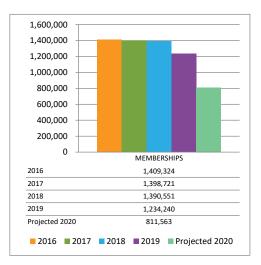

Administration

The projected net revenue for the administration department is greater than the budget by \$195,000.

Staffing reductions will result in almost \$144,000 in savings. With an additional \$13,000 in Health Insurance. Utilities due to the closures are projected to result in an \$81,000 reduction in costs and credit card processing fees will be \$23,000 less than budget.

Communication & Marketing

Fitness

Fitness net revenue is projected to be \$870,000 less than budgeted due to the closure of the facility and delay of billing for two months following the reopening. Despite the extremely positive member numbers for January, there were already declines evident in February as news regarding COVID-19 began. Once billing resumed in September, an additional 275 membership cancellations were processed.
