

# 2025 Flooring Project Bridges of Poplar Creek Country Club

## Addendum #1

- A. All wood cove base is to remain and if needed replaced with same style. All wood cove base then will need to have a quarter round molding installed matching the existing color.

Cove Base and Quarter Round Total Cost \$ \_\_\_\_\_

- B. The staircase will receive the same flooring as Section 2. The stairs will need to have a Vinyl Nose Molding installed that matches the existing Nose Molding that is at the top of the staircase currently.
