Request for Proposal (RFP): Website Creation, Hosting, and Ongoing Support for Hoffman Estates Park District (HEParks)

Addendum 1 Revision to section 2.4 – Core Functionality Integration and Revised Project Schedule

Revision to section 2.4 – Core Functionality Integration

The Core Functionality Integration section is revised as follows:

To ensure cohesive user experience, vendors are required to propose solutions utilizing CSS and/or JavaScript within the WebTrac pages. These enhancements should minimize visual and functional discrepancies, providing a seamless interface aligned with the overall design and branding of the HEParks website. Proposals should include details on how this will be achieved while maintaining full compatibility with the Vermont Systems platform.
